Project limits are College Avenue from 14th Street to 24th Street. Work will begin on Monday, May 10th on phase 1. See project phasing below:

Phase 1—College Avenue from 14th to 16th Street.

Phase 2—College Avenue from 16th to 19th Street.

Phase 3—College Avenue from 19th to 22nd Street.

Phase 4—College Avenue from 22nd to 24th Street.

The intersections at 16th Street and 19th Street will remain open to traffic at all times throughout the construction project.

Improvements to College Avenue will include new water main, storm sewer, curb & gutters, driveway approaches and pavement along with some sidewalk replacement as needed. College Avenue will be closed to thru traffic during the project, however, local traffic will be maintained for local residents with contractor coordination.

Mail delivery and garbage service will continue during the project. On garbage collection days please bring cans to the end of your driveway and tape your address number to your garbage can as the contractor may be moving cans around on collection day.

Work will begin on phase 1 on May 10th with completion of the project scheduled for the end of August.
