1 INTRODUCTION

Parks, Recreation and Open Space are important elements of all communities and reflect positively on the quality of life for residents. In recent years, a more holistic approach to recreational planning has been encouraged, stretching beyond the boundaries of traditional parks to include sidewalks, linear trails, greenways, town squares, plazas and other publicly and privately owned lands. A variety of indoor facilities also serve the recreational and social needs of the public. In addition to the human benefits of recreation and open space, there are also important environmental benefits; such as water resource protection, reduced vehicular traffic and plant and wildlife protection.

PLAN PURPOSE

The 2025 City of Holland Community Parks and Recreation Plan has been prepared as a guide for future decision making concerning recreational facilities and services. This Plan presents an evaluation of Holland's recreation opportunities and needs. It considers the existing facilities in and around the City, the anticipated demand for additional or improved facilities, and the means for providing those facilities over the upcoming five-year period.

The City of Holland regularly updates the Plan both to reflect the changed needs and goals of the community, and to meet the Michigan Department of Natural Resource's requirements for qualifying for Federal and State funding assistance. These funds are available for land acquisition and facility development and improvements to new and existing parklands. Eligibility under this 2024 Community Parks and Recreation Plan will be in effect for five years. It is recommended, however, that the Plan be reviewed and updated, as necessary, every year to reflect

the changing needs of the community. This will also help assure that the capital improvement schedule reflects the actual budget and grant funding schedule.

PLAN SCOPE

The scope of this plan includes the City’s active and passive recreation facilities, undeveloped open space and linear “green” corridors. Recreational programming is also an important consideration. The area of the plan is essentially limited to the City boundaries. However, consideration is also given to neighboring municipal facilities and regional facilities that influence use patterns. In terms of time, the Capital Improvement Schedule of this document covers development over the next five years. However, the Goals and Objectives developed to guide recreation planning may continue to be relevant for many more years to come.

2 COMMUNITY DESCRIPTION

Nestled in the heart of West Michigan, on the shores of Lake Michigan and Lake Macatawa is the City of Holland, Michigan. Holland is a thriving city with a diverse economy that includes manufacturing, agriculture, tourism, and higher education. The city also attracts thousands of visitors each year for its annual Tulip Time Festival, which celebrates the area’s Dutch heritage and vibrant tulip fields every May, and will celebrate the festival’s 95th anniversary this year.

Ottawa County was originally home to an Ottawa (or Odawa) tribe of Native Americans under Chief Joseph Wakazoo. From 1839 to 1849 they lived under the tutoring of Reverend George Smith, head of the Old Wing Mission. The Wakazoo tribe owned and farmed 1,360 acres surrounding the Mission, but they preferred to live at their camp on the south shore of Black Lake. The first white settlers arrived from the Netherlands in April 1847, led by Reverend Albertus C. VanRaalte. They settled in the Black Lake watershed (now the Macatawa watershed), a heavily forested area, where they found soil suitable for farming and access to Chicago and other markets via a harbor on Lake Michigan. By 1849, the Dutch Colony had grown to 3,000, and Chief Wakazoo and Reverend Smith decided to relocate the Mission to Northport in the Traverse Bay region, in hopes of preserving their way of life. The Dutch settlement remains firmly established in southern Ottawa and northern Allegan Counties, the two leading agricultural counties in the state today.¹

¹Source: Robert P. Swierenga, Research Professor, A.C. Van Raalte Institute, Hope College

Before any recreation plan is adopted and enacted, it is first important to understand the needs of the community and its residents, what recreational opportunities already exist and what future projects and programs are relevant to the residents of the community. This is based on the age, ability, population, density and the availability of recreational in the surrounding communities. This input is a critical component for plan.

The foundation for the development of the Holland Parks and Recreation Plan was based on the following goals:

- *Involve the community in the process*
- *Take inventory and map existing recreational facilities*
- *Build a strong foundation of stakeholders in addressing the future recreational needs and priorities of the community*
- *Enable the City to be eligible for financial assistance based upon the Recreation Plan*
- *Facilitate inter-agency collaboration in establishing recreation goals, objectives, and actions*
- *Continue to support and implement improvements for barrier-free universal access to City area parks*
- *Create consistency with and expansion upon goals and objectives set forth in existing planning documents that deal with recreation*

The new Recreation Plan is intended to guide city officials on future recreational and parks projects within the City of Holland. Specifically, this plan is developed in accordance with the guidelines for Community Park, Recreation, Open Space and Greenway Plans published by the Michigan Department of Natural Resources (MDNR). A five-year, MDNR approved Recreation Plan is necessary for the government entities to pursue MDNR-administered grants. This plan is written for the City of Holland and it covers all aspects of park facilities and recreation within the community.

SOCIAL CHARACTERISTICS

POPULATION

The U.S. Census Bureau estimates the population of the City of Holland (V2022) at 34,006 down 1.1% from the April 2020 estimate base.

Table 2.1 Population (Source: U.S. Census Bureau)

	2000	2010	2020
City of Holland	35,048	33,051	34,368
Michigan	9,938,444	9,883,640	10,077,331

MEDIAN AGE

While the overall population is the most important consideration, there are other characteristics to consider when planning for a community’s recreation. The age distribution of a community influences the types of facilities and programs needed. Table 2-2 shows that the City’s median age is lower than the County and State average. This would indicate that the City of Holland has younger age base than the rest of the county. While 20% of the population is under 18yrs., the City should not ignore the other age groups since they still comprise a large proportion of the overall population.

Table 2.2 Median Age (Source: Data USA)

	2021	One Year % Change
City of Holland	32.6	-.912%
Ottawa County	35.6	+.282
Michigan	39.8	0%

AVERAGE HOUSEHOLD SIZE

The U.S. Census Bureau recorded 12,535 households in the City of Holland from 2017-2021 with an average of 2.42 person per household.

INCOME, POVERTY AND EMPLOYMENT

Year-round City of Holland households had a median income of \$63,853 in 2021. This is an 8.6% 1-year growth. 66.6% of the population over the age of 16 years was employed in the civilian labor force with a poverty level at 10.9%

Source: U.S. Census Bureau ACS 2021

PHYSICALLY CHALLENGED

The disability status of a population may be especially significant when considering recreational needs for a community. With 9.5% of the City population affected by some form of disability, these individuals may have difficulty participating in recreational programs, accessing facilities or even getting to designated public areas. Understanding the disability status of the City's population may assist decision-makers in determining adequate programs and appropriate locations for recreational activities. With the passage of the Americans with Disabilities Act of 1990 (ADA), all areas of public service and accommodation became subject to barrier-free requirements, including parks and recreation facilities and programs.

TRANSPORTATION NETWORK

The transportation system within the City of Holland has had a major impact on its development patterns. Local streets, major streets, and state trunk-lines make up a transportation network formed to provide an efficient method of moving goods, services, and people. The presence of U.S. 31 and I-196 allow Holland to be within commuting distance from the Grand Haven, Muskegon, and Grand Rapids metropolitan areas. U.S. 31 bisects the City, providing north/south access along the Lake Michigan shoreline and facilitating travel from Chicago to northern Michigan. The Macatawa Area Express (MAX) bus service provides public transportation within the City of Holland, Zeeland and southern Holland Township. In addition to regular routes, a reservation service is also available. The Helen and Louis Padnos Transportation facility on Lincoln Avenue serves as a passenger transportation facility for Amtrak trains, the Greyhound Bus Lines and the MAX Transportation System. Amtrak provides a daily passenger service from Chicago to Grand Rapids. In addition, CSX railroads in the City of Holland provide transportation opportunities for freight.

LAND USE

The proximity to water was a dominant factor in shaping the physical character of Holland. One of the earliest tasks completed by the settlers was to excavate a shipping channel connecting Lake Macatawa to Lake Michigan. Over the years, the function of the channel slowly changed from primarily commercial shipping to recreational boating. Today, Holland ranks high in the number of moorings for pleasure craft among port communities on the eastern shore of Lake Michigan. Unlike the logging operations and heavy industries which once lined the Lake Macatawa shoreline, the lake perimeter is now bordered with beautiful single-family homes, summer houses, parks, and some industrial development near the central portion of the City.

Development spread from the original downtown area, between 3rd and 9th Streets, outward to 12th Street due to the establishment of Hope College. Southward growth continued with subsequent City boundaries at 16th, 32nd, and 64th. Following annexation of land formerly in Fillmore Township, the southernmost boundary now lies south of I-196.

Suburban growth was facilitated by the movement of industry away from the port facilities and closer to highways and railroads, although a significant amount of industry remains along the waterfront area. This created opportunity for residential and recreational uses along the waterfront.

Land use between U.S. 31 and the shores of Lake Macatawa is primarily residential, with commercial corridors in the Downtown area, along U.S. 31, Washington Avenue and Chicago Drive. Residential land use also dominates the northeast corner of the City. Industrial land use is predominately located south of U.S. 31, with some areas remaining along the waterfront. Limited agricultural land remains in the south of the city and in other isolated units.

PHYSICAL CHARACTERISTICS & RESOURCE INVENTORY

Holland's gently sloping contours are the product of the last period of glaciation some 10 to 12 thousand years ago. A morainal ridge traverses the southern and eastern edges of the community, establishing the highest elevations in town. The majority of the community slopes and drains to the north, into Lake Macatawa or the main channel of the Macatawa River.

Lake Macatawa forms the City of Holland's northern border and is the City's primary natural resource. This inland lake is approximately 5-6 miles long and connects to Lake Michigan through a man-made shipping channel 150 feet wide and maintained at a navigable depth of 22 feet. Water levels in Lake Macatawa are comparable to those of Lake Michigan, fluctuating around the 580 foot level. Historical depths of 100 feet have been recorded, but the deepest charted areas today are just over 30 feet. This is the result of many years of sedimentation due to changes from forest to farmland, and increasing urban drainage. Only 7% of the lake area exceeds a natural depth of 21', thus necessitating annual maintenance dredging to keep the shipping channel open. More than half the lake is less than 12' deep, posing problems along many residential shorelines for the mooring of sailboats and other deep-draft pleasure boats.

The City and surrounding Townships are part of the Macatawa Area Coordinating Council (MACC), which promotes the use of Best Management Practices to minimize run-off and contribute to the improvement of water quality. Lake Macatawa water quality has been an issue for many years. Each year thousands of pounds of phosphorus are carried from the surrounding watershed into Lake Macatawa when it rains. The MACC oversees a comprehensive watershed project aimed at reducing the amount of phosphorus that enters Lake Macatawa by rain runoff.

The Macatawa estuary, with its extensive marshlands, has been identified as a nesting or feeding ground for coots, grebes, heron, gulls, ducks, blackbirds, sparrows, swallows, cowbirds, pheasants, and starling. The Michigan Department

of Natural Resources has identified pike, bluegill, bass, crappies, steelhead, perch, and other game fish in the Macatawa lake and river system.

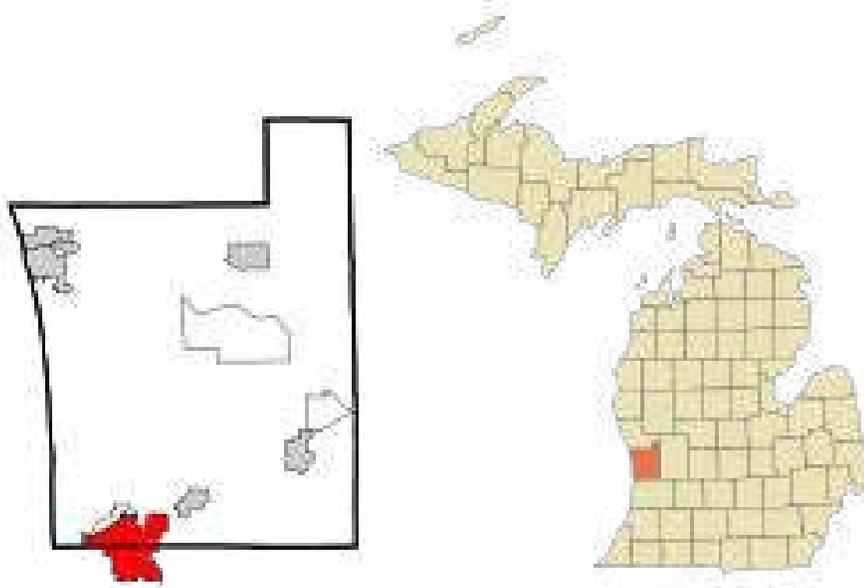

Another potentially vulnerable resource is the Lake Michigan dunes just west of Holland. Though outside of the corporate City, these dunes are a natural resource for the entire area, and the City shares an interest in their wise management and protection.

CLIMATE

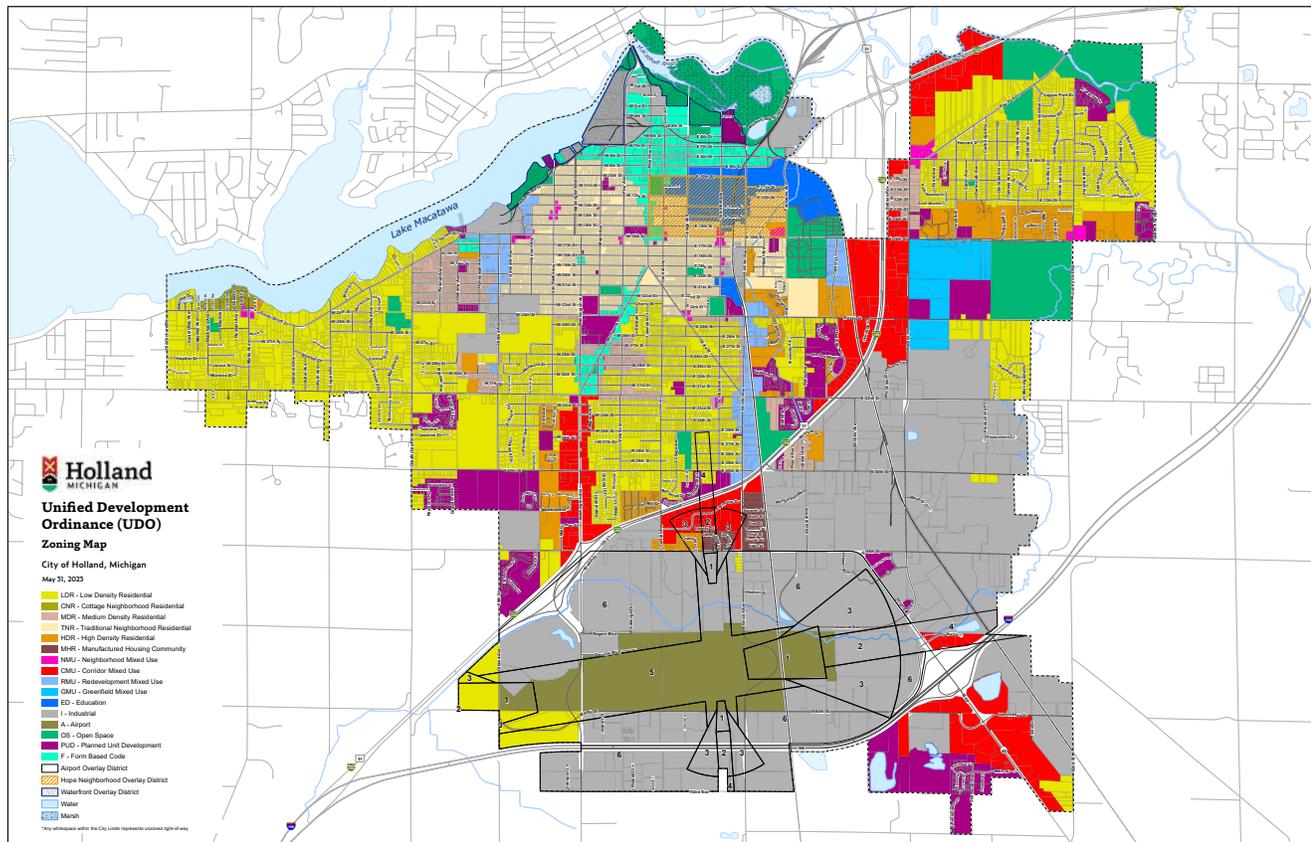

In Holland, the summers are warm and partly cloudy and the winters are freezing, snowy, windy, and mostly cloudy. Over the course of the year, the temperature typically varies from 20°F to 81°F and is rarely below 6°F or above 89°F.

ZONING MAP

LAND USE MAP

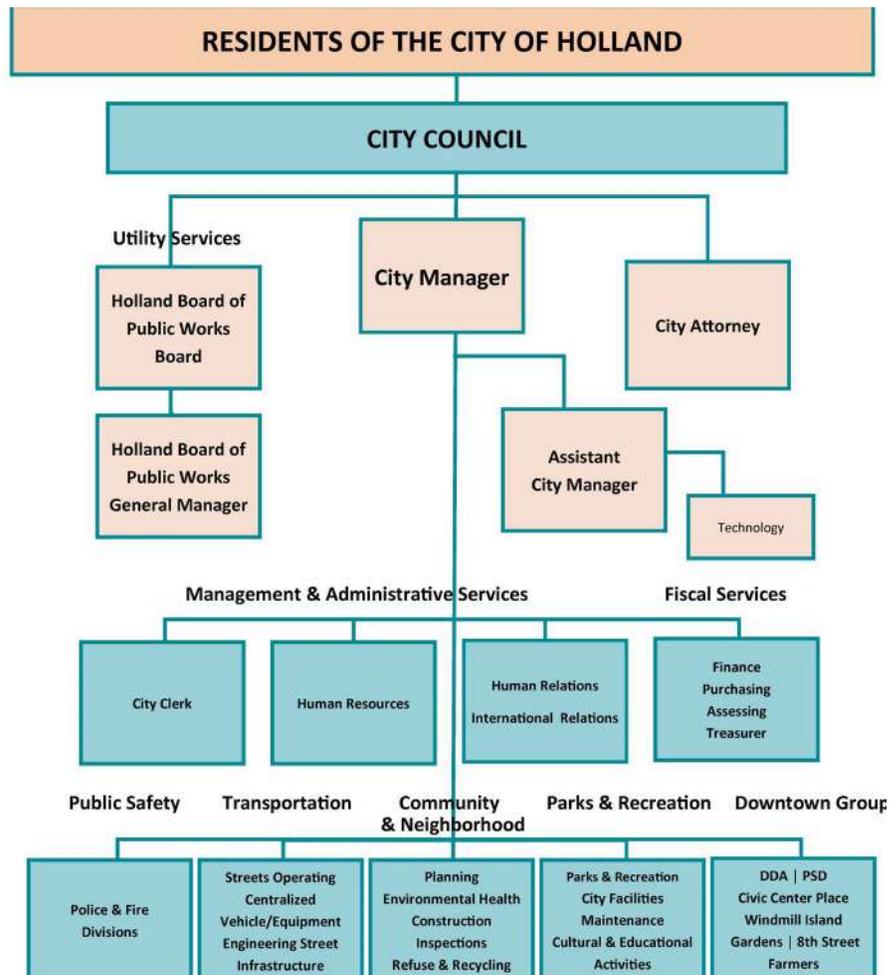

ADMINISTRATIVE STRUCTURE 3

Recreation planning is a method for anticipating and arranging recreational improvements so that they may be implemented on a reasonable schedule and without an adverse effect on a community’s administrative and financial structure. An effective recreation plan will recognize the practical relationship between a community’s administrative structure and its ability to follow through on a recommended recreational improvement program.

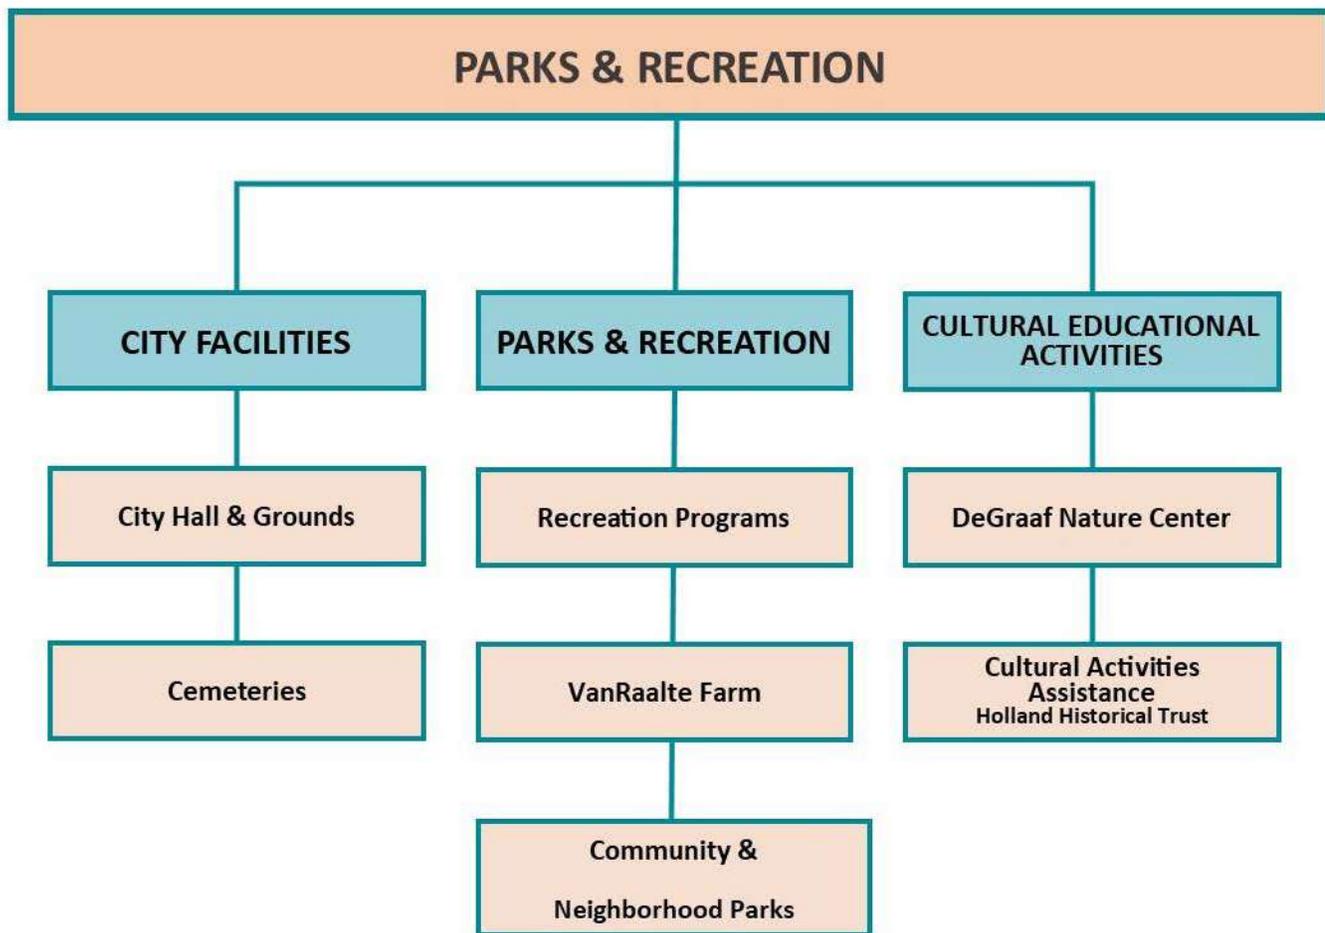

The City of Holland Organizational Chart is as follows:

PARKS DIVISION

The Parks & Recreation Group is responsible for the coordination and quality of all recreational and cultural opportunities for the city residents, and for the maintenance of all facilities. The overall objective is to provide safe, functional and beautiful facilities that can be utilized by all age groups. The Parks and Recreation Organizational Chart is as follows:

PARK EXPENDITURES

The City of Holland Parks Department is responsible for:

- Maintaining City parks, open areas, tot lots and streetscape landscaping
- Planting and maintaining tulip beds, lanes and boulevards
- Providing backdrop to annual Tulip Time Festival
- Trimming, planting, and removal of trees in the public park system and the public right-of-way

PARK AND RECREATION 2024 BUDGET

The FY-2024 Municipal Capital Projects, Ten Year Improvement Program budget for the City of Holland Parks and Recreation is \$2,355,000. (See full details in Appendix)

RECREATION PROGRAMS

Recreational Programming is under the direction of the Leisure and Cultural Services Director. Other full-time employees include a Youth Program Coordinator, a Secretary, two building custodians and two skilled recreation maintenance laborers. In addition to the full time staff, the Recreation Division employs numerous seasonal program supervisors, instructors, support staff, as well as many seasonal recreational maintenance staff. The overall City of Holland Recreation Division program includes a wide variety of youth and adult recreation activities as well as many other special events and leisure time activities. The Program Measurements report at the end of this section demonstrates the events, programs and participation numbers. Additional programs are run by the DeGraaf Nature Center, including a new kayaking program for area youth and adults.

In addition to the many programs that the Recreation Division offers directly, it also co-sponsors other programs with such organizations as The Holland Area Arts Council, Evergreen Commons Senior Citizen Center, Latin Americans United for Progress, The Holland Area Boys and Girls Club, Holland Gem and Mineral Club,

Holland Public Schools, the Holland Police Department and Holland Community Hospital.

RECREATIONAL TRENDS

The 10 most common park features in 2023 include: playgrounds (83.7% of park respondents have playgrounds); park shelters such as gazebos and picnic shelters (80.7%); park restroom structures (79.3%); outdoor sports courts for sports like basketball, tennis and, of course, pickleball (73.6%); walking and hiking trails (71.2%); bleachers and seating (70.4%); natural turf sports fields (69.6%); open spaces like gardens and natural areas (67.9%); concession areas (63.3%); and classrooms and meeting rooms (62.5%). Classrooms and meeting rooms rose into the top 10, switching places with community or multipurpose centers.

The most commonly planned program additions in 2023 for parks include: 1. Teen programming (up from No. 5) 2. Environmental education programs (no change) 3. Educational programs (up from No. 8) 4. Programs for active older adults (did not appear in the top 10 for parks in 2022) 5. Fitness programs (down from No. 1) 6. Arts and crafts (did not appear in 2022) 7. Group exercise programs (down from No. 4) 8. Adult sports teams (down from No. 7) 9. Mind-body balance programs such as yoga (down from No. 3) and 10. Special needs programs (down from No. 9)

ROLE OF VOLUNTEERS

Volunteers play the following roles in the Holland Parks and Recreation departments.

On the Park side, volunteers:

- Plant tulips
- Pick up litter/trash - Park cleanups
- Help to build playgrounds during community builds
- Set up the Cemteries for Memorial Day activities

- Help with bigger projects that take lots of people - ex. is painting the railing at Kollen Park, there were 200 volunteers
- Serve on our Parks and Recreation Commission

On the Recreation side, volunteers:

- Coaches of all sorts - soccer, basketball, volleyball, etc.
- Help to run special events - Daddy Daughter Dance, Mother Son event, etc.
- Help at various programs

4 RECREATION INVENTORY

EXISTING RECREATION INVENTORY

In order to determine the recreational needs for the City of Holland, an analysis of the existing facilities was undertaken. The intent of the analysis is to provide a clear evaluation of the strengths and weaknesses of the existing recreational opportunities the City has to offer its citizens. The inventory is based on information provided by City staff and site inspections carried out by MCSA Group as part of the planning process.

TOWNSHIP PARK AND OPEN SPACE FACILITIES

The City park properties both fall under the classification of community parks. This classification is adapted from “Park, Recreation, Open Space and Greenway Guidelines,” J. D. Mertes and J. R. Hall, 1995, as recommended by the Michigan Department of Natural Resources. A more detailed description and photographic inventory of each site follows. An existing recreation facilities matrix provides a summary of the facilities provided at each location.

Accessibility

An accessibility assessment of each facility was undertaken using the following ranking system for the site elements based upon the 2010 Standards for Accessible Design:

- 1 - NONE
- 2 - SOME
- 3 - MOST
- 4 - ALL
- 5 - THE FACILITY MEETS THE PRINCIPALS OF UNIVERSAL DESIGN

Equitable Design, Flexibility in Use, Simple and Intuitive Use, Perceptible Information and Tolerance for Error, Low Physical Effort and Size and Space for Approach and Use

MINI-PARKS

Mini-parks serve a concentrated or limited population or specific group, such as families with very young children or senior citizens, as determined by the distance that can be easily traveled by the local user. The facilities that are provided in these types of parks are generally specialized, such as play equipment or green space with benches for passive activities. The area served by a mini-park is generally considered to be less than one quarter 1/4- mile radius in size. This will vary slightly depending on ease or difficulty of access and the character of the facility. Nationally accepted standards for mini-parks recommend 0.25 to 0.5 an acre with one (1) acre as a desirable size.

NEIGHBORHOOD PARKS

Neighborhood parks remain the basic unit of the park system and serve as the recreational and social focus of neighborhoods. This type of park typically serves a ¼- to ½-mile distance and is uninterrupted by nonresidential roads and other physical barriers. A size of 5-10 acres is considered optimal for this type of park.

NEIGHBORHOOD PARKS CONTINUED

The focus is on informal active and passive recreational activities, such as walking, field games, court games, playground equipment, and picnicking. The City has six neighborhood parks.

COMMUNITY PARKS

Community-wide parks serve a broader purpose than neighborhood parks and provide a range of facilities and areas capable of supporting structured and unstructured community participation. These areas are typically between 30 and 50 acres in size and serve two or more neighborhoods within a half to three-mile distance. Facilities may include wooded or natural areas, picnic shelters and grills, bike or hiking trails and other semi-active and passive uses for large groups of people. They may also contain specialized recreational facilities such as swimming pools, community centers and lighted ball diamonds. Community parks should be easily accessible from throughout their service area. Currently there are seven City parks classified within this category.

NATURAL RESOURCE AREAS

Natural resource areas are lands set aside for preservation of significant natural resources, landscapes, and open space. These sites are typically unsuitable for development but offer natural resource potential and can support recreational activities at a level that preserves the integrity of the natural resource. The location and size of these parks are largely governed by availability. There is one City park classified within this category.

SPECIAL USE FACILITIES

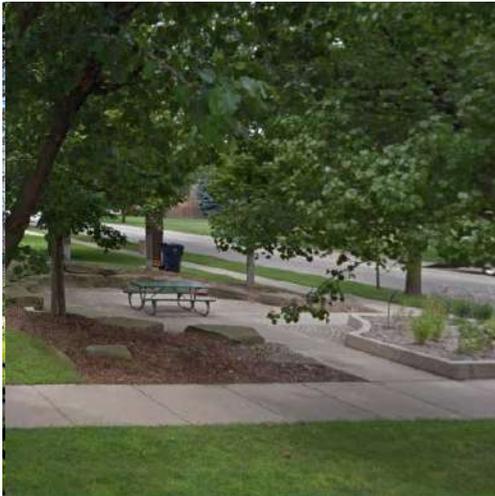

The Special Use classification covers a broad range of parks and recreation facilities oriented toward single-purpose use. Special uses generally fall into three categories:

- **Historic/Cultural/Social Sites:** Unique local resources offering historical, educational, and cultural opportunities. Examples include historic downtown areas, performing arts parks, arboretums, ornamental gardens, performing arts facilities, indoor theaters, churches, public buildings, and amphitheaters.
- **Recreation Facilities:** Specialized or single purpose facilities. Examples include community centers, senior centers, community theaters, hockey arenas, marinas, golf courses, and aquatic parks.
- **Outdoor Recreation Facilities:** Examples include tennis centers, softball complexes, sports stadiums.

Recreation needs, community interests, the type of facility, and land availability are the primary factors influencing location. Special use facilities should be viewed as strategically located community-wide facilities rather than as serving well-defined neighborhoods or areas. Where feasible, a geographically central site is optimal. The site should be easily accessible from arterial and collector streets, where feasible. Facility space requirements are the primary determinants of site size. As an example, a golf course may require 150 acres, whereas a community center with parking may fit on 10 or 15 acres. The City of Holland has four facilities that fit into this classification.

HALLACY PARK

MINI-PARK
0.5 ACRES

Address
60 E 6th Street

Hallacy Park was dedicated in 2009 in honor of the former mayor of Holland, Mayor Louis Hallacy.

Amenities:

Seating area, planting beds.

Programming and Notes:

No formal programming. This park provides a small seating area across from Window on the Waterfront soccer fields directly adjacent to the north. Rail separates park from City Flats Hotel.

Accessibility Rating: 4

Accessibility Improvements:

None at this time

Condition:

Park is adequately sized for its intended use and is in good condition.

HOLLAND HEIGHTS PARK

MINI-PARK
1.0 ACRES

Address
870 E 10th Street

Holland Height Park was developed in 1993

Amenities:

Playground, picnic tables with shade structure, pickleball courts, walkways.

Programming and Notes:

No formal programming. Small, single-family residential on all sides. Large, well maintained church to northwest corner. Southern-most area of playground is missing equipment. Basketball courts were converted to pickleball courts.

Accessibility Rating: 2

Accessibility Improvements:

There are no accessible parking spaces. Play surface has settled and is no longer accessible. Equipment should be replaced with an accessible component structure.

Condition:

Park is adequately sized for its intended use and is in good condition. Some portions of the park in poor condition. Pickleball courts should be resurfaced.

MICHIGAN AVENUE PARK

MINI-PARK
0.7 ACRES

Address
711 Michigan Avenue

Michigan Avenue Park was created by a triangular parcel set aside as park space when angular City avenues were constructed.

Amenities:

Benches, picnic tables, seating area, Wellness Trail stations.

Programming and Notes:

No formal programming. This landscaped triangular park provides pathways and seating opportunities close to the adjacent commercial area. Primarily commercial on all sides. Berms on west side buffer traffic and create a sense of enclosure and the relatively open views through the park create a pleasant visitor experience.

Accessibility Rating: 3

Accessibility Improvements:

Circular plaza area in need of maintenance (weeding, brick alignment) to maintain full accessibility.

Condition:

Park is adequately sized for its intended use and is in good condition. Brick seating area requires minor renovations and regular maintenance.

WASHINGTON SCHOOL GREEN

MINI-PARK
0.5 ACRES

Address
265 Maple Avenue

Washington school green was developed as a joint project between the City and the Washington School neighborhood. The majority of the funds needed to develop the park were raised by the neighbors. The playground was built by the community.

Amenities:

Play equipment, wellness stop, benches, drinking fountain with bottle filler, picnic tables, bike racks. Native planting beds with crushed stone path and natural stone seating.

Programming and Notes:

No formal programming. This neighborhood is part of Holland's Historic District. Residential to west, north, and east. Now-closed Washington School Building to south is currently for sale, potential mixed-use.

Accessibility Rating: 5

Accessibility Improvements:

None at this time

Condition:

Park is adequately sized for its intended use and is in good condition.

WATER TOWER PARK

MINI-PARK
0.3 ACRES

Address
230 W. 28TH Street

Water Tower Park recently became part of City's Wellness Trail. The water tower was located on site of current playground.

Amenities:

Playground, benches, Wellness Trail stations.

Programming and Notes:

No formal programming. Small, single family residential to west, commercial to east. Park appears to be popular with families with toddlers in the immediate vicinity.

Accessibility Rating: 3

Accessibility Improvements:

Additional accessible playground elements recommended to maintain full accessibility.

Condition:

Park is adequately sized for its intended use and is in good condition. Brick seating area requires minor renovations and regular maintenance.

CENTENNIAL PARK

NEIGHBORHOOD PARK
5.6 ACRES

Address
205 Central Avenue

Centennial Park was originally set aside as a market space, dedicated as a park in 1876. It was once the site of a jail. The rock fountain donated in 1902.

Amenities:

Gazebo above restroom building, Veterans Memorial, Oz sculpture garden, historic marker, tulip beds, fountain, reflecting pool, statue of Van Raalte, performance venue.

Programming and Notes:

Weddings are held in the central gazebo. Art in the Park. Festival activities. Single family residential to the south. Retail/commercial/civic/church use on remaining three sides.

Accessibility Rating: 3

Accessibility Improvements:

Improvements recommended for the gazebo, which is not currently accessible by ramp. Continuous maintenance on the brick paving will keep the walks accessible.

Condition:

Park is adequately sized for its intended use and is in good condition.

HOLLAND HEIGHTS SCHOOL PARK

NEIGHBORHOOD PARK
12.0 ACRES

Address
856 East 12TH Street

Holland Heights School Park was developed as part of a joint project between the City and Holland Heights School in 2001 and dedicated on May 30, 2003.

Amenities:

Play structure, picnic tables with shade structure, two modified soccer fields, two tennis courts, parking, walkways, basketball courts on adjacent school property.

Programming and Notes:

Youth soccer and T-ball. The East/west sidewalk that runs north of soccer field forms the boundary between City and school park. Single family residential on all sides. Neighborhood sidewalks connect to park with crosswalks.

Accessibility Rating: 4

Accessibility Improvements:

None at this time

Condition:

The park is adequately sized for its intended use, is well maintained and in excellent condition.

LAKEVIEW CITY PARK

NEIGHBORHOOD PARK
2.8 ACRES

Address
609 Blackball Avenue

Lakeview City Park was the area's first "magic square" (playground) established by Joe Moran, the City of Holland's first Recreational Manager. It was established during the 1960's.

Amenities:

Open play field, new playground equipment on poured in place surfacing, two picnic tables and shade structures

Programming and Notes:

No formal programming. There is a view of water from Bay Avenue. Surrounded on four sides by single family residential. The neighborhood has many mature trees and woodland areas. The park is well maintained and has a number of very large silver maples.

Accessibility Rating: 4

Accessibility Improvements:

None at this time

Condition:

The park is adequately sized for its intended use, is well maintained and in excellent condition.

LAKEVIEW SCHOOL PARK

NEIGHBORHOOD PARK
7.0 ACRES

Address
752 Lugers Road

Lakeview School Park served Lakeview School across West 32nd Street until the school recently closed. The school has been demolished and the parcel is not part of the City park.

Amenities:

Skating rink, soccer fields, baseball field, tennis courts, basketball courts.

Programming and Notes:

Soccer practice, tennis courts used as ice skating rink in winter, T-ball. Single family residential to north, east and west, condos to south. DEQ weather station in center of park could be relocated. City is implementing improvements proposed in 2018 park Master Plan to be used as an ice rink during colder winter months, but there is no seating or amenities for skaters. Improvements are planned for the fields.

Accessibility Rating: 2

Accessibility Improvements:

Very few of the parks amenities are accessible

Condition:

This is the only neighborhood park on the western side of the city. The park's equipment and facilities are in poor condition and require updates to better serve this neighborhood.

MORAN PARK

NEIGHBORHOOD PARK
4.2 ACRES

Address
515 Maple Ave

Moran Park was originally known as the 22nd Street Field. Facility included a baseball field and football field. Joe Moran, who was Holland High School's Boys Tennis Coach for over 25 years, established the lighted tennis courts at this facility during his employment as the City of Holland Recreation Director.

Amenities:

Restroom building, picnic shelter, playgrounds, volleyball court, basketball courts, pickleball courts, tennis courts, open lawn area and Wellness Trail stations.

Programming and Notes:

Summer tennis lessons, pickleball events and leagues, Holland Christian Middle School and Black River Schools use all tennis courts. Single family residential on all sides, active neighborhood with sidewalk/crosswalk connections. Evergreen Commons Senior Center is less than 1/4 mile to the east.

Accessibility Rating: 4

Accessibility Improvements:

None at this time

Condition:

The park is adequately sized for its intended use. With the recent upgrades, the park is well maintained and in excellent condition.

ROSA PARKS PARK

NEIGHBORHOOD PARK
3.2 ACRES

Address
84 E 19th St

Rosa Parks Green Park was originally called 19th Street Field. There was a baseball field at this facility in the 1940's. Holland Independence, a team in the Federal League, played at this field. Several Holland Independence players played under assumed names in the Grand Rapids Class "D" State League, because they played on Sundays, which at that time was against the Holland establishment. Several players were recruited to the White Sox's farm team. "Lefty" Van Werien, who lived in East Saugatuck, was recruited to the Cubs farm team.

Amenities:

Play structures, group picnic shelter, loop walking path, two half-court basketball courts, lawn area, gaga ball pit, soccer field.

Programming and Notes:

Youth Soccer League. Summer lunch program. Dense, single family residential on all sides.

Accessibility Rating: 3

Accessibility Improvements:

Some of the walkways have settled and should be replaced as necessary.

Condition:

The park is adequately sized for its intended use.

PROSPECT PARK

NEIGHBORHOOD PARK
7.5 ACRES

Address
595 Prospect Ave

Prospect Park was purchased on May 31, 1901 by eight concerned Holland citizens, calling themselves Holland Improvement Co. from Mr. Hermanus Laarman for a sum of \$1,830 in order to protect the last of the original forest in or near Holland and donated the property to the City of Holland. The Holland Improvement Co. held the deed to the property until July 16, 1907, at which time it was sold to the City of Holland for \$1.00.

Amenities:

Wooded area, picnic tables, walking paths, play area, dense stand of mature trees representing many species.

Programming and Notes:

No formal programming. School uses park for tree studies. Park is heavily wooded, surrounded on three sides by single family residential. 'Baker Lofts' multi-family residential to the east.

Accessibility Rating: 3

Accessibility Improvements:

Accessibility improvements to the play structures is recommended.

Condition:

The park is adequately sized for its intended use.

VAN BRAGT PARK

NEIGHBORHOOD PARK
3.4 ACRES

Address
60 N. River Avenue

Van Bragt Park was used as tulip bed for Tulip Time Festival since 1934.

Amenities:

Walkways, windmill (not historic), benches.

Programming and Notes:

No formal programming. Park used occasionally for fishing. Linked by underpass trail to Windmill Island. Has had recent improvements with new walks and art work supplied by local school district. Important link to parks north, and to Window on the Waterfront and Windmill Island.

Accessibility Rating: 4

Accessibility Improvements:

None at this time.

Condition:

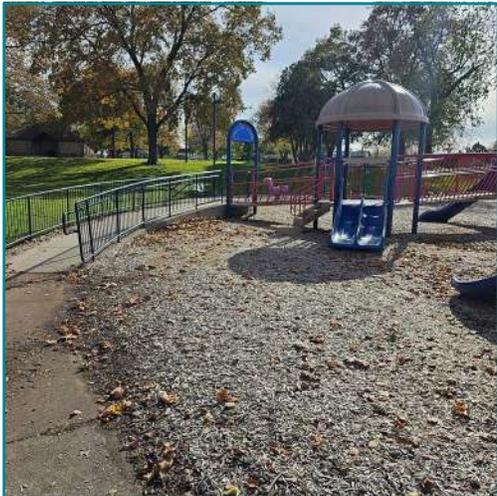

Park is adequately sized for its intended use and is in good condition.

this page is intentionally left blank

KOLLEN PARK/HEINZ WATERFRONT WALKWAY

COMMUNITY PARK
24.0 ACRES

Address
240 Kollen Park Drive

Kollen Park was once the site of a basket factory. It was donated to the City in 1921. It was the first waterfront park in Holland. The first phase of the Waterfront Walkway was completed in 2003.

Amenities:

Group picnic shelter, playground, gazebo, band shell, six (6) boat day slips, boat launch ramp, parking, fishing decks, fountain, restrooms, boardwalk, limited docking facilities, grills.

Programming and Notes:

Location for City events including 4th of July fireworks, Tulip Time events, WOTV Celebrity for Family programming around West Michigan, National Night Out, Movies in the Park. Concerts are held in the band shell. Boat access in summer. Maranda Park Party held here for over twenty five years. One of city's most popular parks. Well maintained, newer amenities. This park is an important link to the trail system linking Lake Michigan to downtown, Window on the Waterfront, and beyond. Kayak launch is in the current Capital Improvement Plan.

KOLLEN PARK/HEINZ WATERFRONT WALKWAY

Accessibility Rating: 4

Accessibility Improvements:

Accessibility improvements to the boardwalk are recommended.

Condition:

Park is adequately sized for a community park, but because it is a waterfront park and contains a linear element in the boardwalk, expansion toward the north and east would be beneficial in serving the community. This park is an ideal location for a fully accessible kayak launch and would tie in to ongoing efforts with the Lake Michigan and Macatawa Water Trail.

MAPLEWOOD YOUTH COMPLEX

COMMUNITY PARK
10.5 ACRES

Address
52 E. 35th Street

Maplewood Park is one of the original “magic squares” established in the 1960’s by then Holland Recreation Director, Joe Moran.

Amenities:

One youth softball field, two youth baseball fields, open play fields, youth soccer field, two play structures, basketball courts, two picnic shelters, restroom/concession building, parking.

Programming and Notes:

Soccer, baseball, Little League, fast-pitch high school softball league, basketball. Summer lunch program. Single family residential on all sides, some sidewalks. Skinned in-field across College Avenue belongs to the school and is maintained by the City for Little League.

MAPLEWOOD YOUTH COMPLEX

Accessibility Rating: 3

Accessibility Improvements:

New accessible playgrounds, ongoing maintenance to paved and chips and fines walks.

Condition:

Park functions as a neighborhood park for a portion of the year and is adequately sized for this use. However, during baseball season the park serves a community park function, as it is one of two sports-complex parks in the City. The park is in fair condition and is in need of accessibility updates. The play structures are nearing the end of their useful life.

MATT URBAN SPORTS AND RECREATION COMPLEX

COMMUNITY PARK
23 ACRES

Address
52 E. 35th Street

Matt Urban Sports and Recreation Complex was built in 1994. Renamed in 1996 in honor the City’s Recreation Coordinator, the most decorated US soldier in WW II.

Amenities:

Four softball fields, two basketball courts, soccer/flag football field, two sand volleyball courts, two playgrounds, picnic shelters, concession stand, restrooms, parking.

Programming and Notes:

Soccer, lacrosse, baseball, softball, sand volleyball, flag football, basketball, rental facility, weekend baseball/softball tournaments. Rail to west, Business 196 to south. Residential to north and east. Northern fields remain wet after a rain. Has a reputation as one of the nicest facilities in the region.

Accessibility Rating: 3

Accessibility Improvements:

New accessible playgrounds and ongoing maintenance to existing walks.

Condition:

Park is adequately sized for its intended use as a sports-complex park and is in good to excellent condition.

RIVERVIEW PARK/WINDOW ON THE WATERFRONT

COMMUNITY PARK
30.0 ACRES

Address
95 College Avenue

Riverview Park/Window on the Waterfront was established in 1918.

Amenities:

Nature themed playground, walking/biking paths, viewing decks, boardwalks, open space, Riverview Athletic Field, parking areas at each end, 100,000 tulip bulbs, baseball field.

Programming and Notes:

Riverview Park: soccer, youth flag football, T-ball. Window on the Waterfront: soccer, informal lacrosse, running trails. These are actually two separate parks, but are adjacent. Window on the Waterfront extends to Van Bragt Park to the west and Windmill Island to the east. Natural areas to north. Commercial/downtown to south, west, east. This park is an important connection to Kollen Park, downtown, and green space to the east.

Accessibility Rating: 3

Accessibility Improvements:

Accessibility improvements to the boardwalk, floating bridge and walks.

Condition:

Park is adequately sized for its intended use and is in fair to good condition. This park is an ideal location for a fully accessible kayak launch and would tie in to ongoing efforts with the Lake Michigan and Macatawa Water Trail.

SMALLENBURG PARK/ BOUWS POOL

COMMUNITY PARK
24.0 ACRES

Address
325 Fairbanks Avenue

Smallenburg Park was named after Dick Smallenburg in 1959. Pool opened in 1976. Adjacent Ray and Sue Smith Stadium opened in 1979. Skate park completed in 2011.

Amenities:

Universally accessible playground, grills, picnic tables, large group shelter, Bouws Pool, Ray and Sue Smith Stadium adjacent, open green space, skate park.

Programming and Notes:

No formal programming. Residential/commercial to west and south. Hope College property to east. Tennis complex to north. Bouws Pool adjacent. Well maintained park with skate park. Estimated budget for future Rec Center planning.

Accessibility Rating: 3

Accessibility Improvements:

Accessibility improvements to walks and playground surfacing as necessary.

Condition:

Park is adequately sized for its intended use and is in excellent condition. No near-term improvements required beyond regular maintenance.

VAN RAALTE FARM

COMMUNITY PARK
160 ACRES

Address
1076 E. 16th Street

Van Raalte Farm was purchased by Reverend Albertus Van Raalte, founding father of the City of Holland from federal government over 170 years ago. The city purchased the land in 1983.

Amenities:

Historic Van Raalte Farm, dog park, DeGraaf Nature Center Sugar Shack, marked nature trails, picnic shelter, play structures, winter sledding, groomed cross country ski trails, parking, orienteering course.

Programming and Notes:

Student field trips, special events held here, such as Halloween celebration. Allows dogs on leash. Cross-country ski trails. Each fall the park plays host to a three-day Civil War reenactment, called the Van Raalte Farm Civil War Muster. Rural neighborhoods to east and south. Residential and retail/commercial to north and west.

Accessibility Rating: 2

Accessibility Improvements:

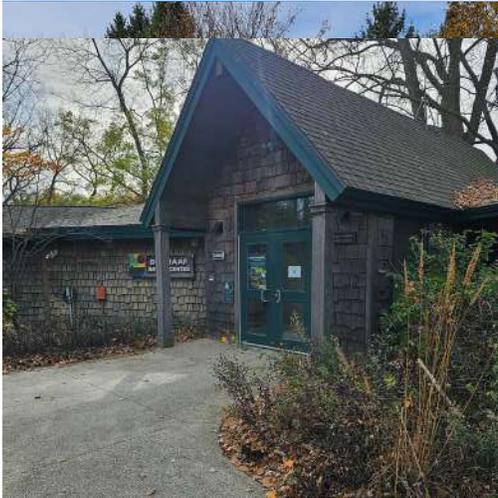

Accessibility improvements recommended including barrier-free toilets, along with replacement of the southern play structure.

Condition:

Park is adequately sized for its intended use and is in good condition.

DEGRAAF NATURE CENTER

NATURAL RESOURCE
AREA
18.0 ACRES

Address
600 Graafschap Rd

In the 1960's Members of the Holland Garden Club began the process of saving a favorite wild spot nestled within the growing neighborhood on Graafschap Road, which then became DeGraaf Nature Center. Named to honor a retiring Director of the Parks Department, Jacob DeGraaf.

Amenities:

Trails through mature forest, educational facility with newly expanded parking area, wetland areas including a stream and a pond, upland meadow, observation areas.

Programming and Notes:

School field trips, preschool classes, Adopt-an-Animal and Adopt-a-Tree programs, eco-tours, snowshoe outings, educational displays at Brower Visitor Center. Single family residential on all sides. Large church to east with overflow parking for this facility.

Accessibility Improvements:

The trail system could be improved to include more accessible trails and boardwalks

Accessibility Rating: 3

Condition:

Park is adequately sized for its intended use and is in good condition.

8TH STREET MARKETPLACE/ CIVIC CENTER

SPECIAL USE FACILITY
8.28 ACRES

Address
150 W 8th Steet

Facility includes the marketplace (farmers market) and civic center. Both amenities were updated in the last 20 years

Amenities:

Marketspace includes seating, lighting, and power/water pedestals

The civic center is a 55,000 square foot building with gym space, meeting space (formal and informal), stage, cultural venue for concerts and large events.

Programming and Notes:

Farmer's Market May-November. In the summer, there are special events chefs do Site has been rented for Tulip Time activities, Kertsmrkt, car shows, and more. Variety of interscholastic and City sponsored athletic, cultural, and recreational activities. Holland Christian uses for basketball.

Accessibility Rating: 4

Accessibility Improvements: As facility ages renovations should strive to meet universal design guidelines

Condition:

Facility is in good condition and is sized appropriately for its intended use. Both amenities will need maintenance as necessary due to age.

LAKE MACATAWA STREET ENDS

SPECIAL USE FACILITY
Less than one Acre

Address
See following map

Varies: each site less than 1 acre in size. Narrowest site access is 20' wide, the majority of sites are 33' wide, and a few are 50-60' wide.

Amenities: None

Programming and Notes:

None formal

Accessibility Improvements:

Each facility will need significant upgrades to make the accessible.

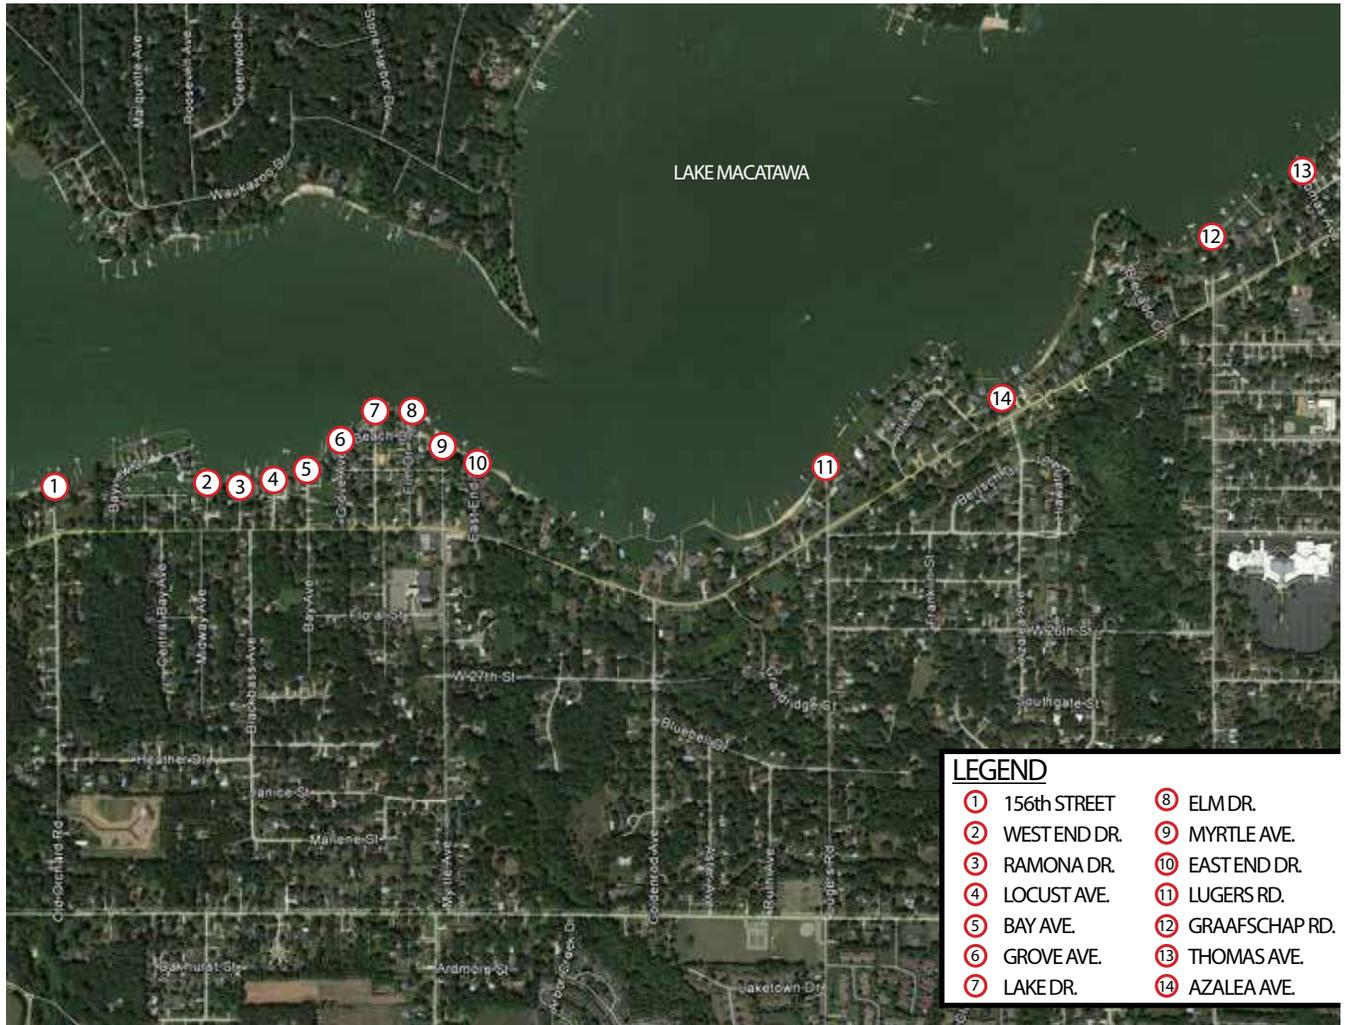

Accessibility Rating: 1

Condition:

Invasive species should be removed before any improvements are made.

PARKS AND RECREATION FACILITIES MAP

WINDMILL ISLAND GARDENS

SPECIAL USE FACILITY

36

Address

1 Lincoln Ave

Last working windmill (de Zwaan) allowed to leave the Netherlands in 1964. The mill still turns and grinds grain into flour and a tour up 5 floors is the highlight of any visit to the park.

Amenities:

Playground/Carousel, Dutch style buildings, Posthouse Museum, landscaped gardens, parking, benches, pavilion and gazebo for weddings.

Programming and Notes:

Tulip Time celebrations, weddings, dutch arts and crafts show. Natural areas on all sides. Horses housed in pasture near windmill in the summer months. Replica way-side inn, fisherman's houses, an orphanage and a **working mailbox**. **The historic Little Netherlands display showing life in the low countries in the 1840's when Holland was founded**

Accessibility Rating: 2

Accessibility Improvements:

Some of the facilities could be improved to be accessible.

Condition:

Park is adequately sized for its intended use and is in excellent condition. No near-term improvements required beyond regular maintenance.

SCHOOL AND EDUCATIONAL FACILITIES INDEX

EXISTING CONDITIONS MAPS

See Appendices for City of Holland Parks Existing Conditions Maps.

OTHER RECREATION PROVIDERS

There are a number of quasi-public, private and commercial facilities that play a significant role in Holland’s recreational potential. These facilities are listed below:

Holland Aquatic Center Swimming Pool Authority: Run by non-profit foundation, opened in 1999. Its 86,000+ square feet occupies two city blocks in central Holland, and offers a competition pool, leisure pool with slides and play area, therapy pool, instructional pools, and fitness center.

Holland Energy Park: Holland Board of Public Works flagship plant, completed in 2017. Grounds feature paved walking trails that will be integrated into the Macatawa Greenway system.

Evergreen Commons (Private): A Senior Center located on a 2-acre site south of the intersection of State Street and Michigan Avenue.

Golf Courses:

Clearbrook Golf Club (Public): 18 holes, 6494 Clearbrook Drive, Saugatuck

Crestview Golf Club (Public): 18 holes, 6279 96th Avenue, Zeeland

Links at Rolling Meadows (Private): 9 holes, 1259 Saint Andrews Drive, Holland

Macatawa Legends Golf Course and Country Club (Private): 18 holes, Holland

The Ravines Golf Club (Public): 18 holes, 3520 Palmer Drive, Saugatuck

West Ottawa Golf Club (Public): 27 holes, 6045 136th Avenue, Holland

Winding Creek Golf Course (Public): 27 holes, 4514 E. Ottagon Street, Holland

Marinas:

There are several privately owned marinas in the Holland area. It is estimated that nearly 1,000 slips exist on Lake Macatawa alone. Some of these docks or slips are expensive to own or lease and all should not be considered as accessible to the general public. A partial list of the marinas in the area includes: Anchorage Marina:

Ottawa Beach Road, Park Township; Eldean Shipyard: South Shore Drive, Park Township.

Launch Ramps:

There are several launch ramps located on Lake Macatawa that are available for use by local residents:

Kollen Park Launch Ramp (City): 3-lane launch ramp, west end of Kollen Park.

Dunton Park Launch Ramp (Holland Charter Township): Howard Street at the east end of the park.

South Shore Launch Ramp (Park Township): South Shore Drive and Harrington Avenue.

DNR Launch Ramp (DNR): Ottawa Beach Road just east of Yacht Basin Marina.

Watersports Rentals:

Adventure Company: Kayaks, paddle boards, bikes. 2223 South Shore Drive, Park Township.

Holland Water Sports: Jet skis, powerboats, pontoons. 1810 Ottawa Beach Road, Park Township.

The Outpost: Paddle boards, www.hollandoutpost.com

Area Campgrounds:

Drew's Country Camping: Ransom Street Holland Charter Township

Dutch Treat Campgrounds and Recreation: Gordon Street, Zeeland

Holland State Park: Ottawa Beach Road, Park Township

Oak Grove Campground and Resort: Ottawa Beach Road, Park Township

West Wind KOA: Blue Star Highway, Saugatuck

Yogi Bear Jellystone Park: U.S. 31, Grand Haven (12 miles north of Holland)

Ice Rink:

Griff 's Icehouse West: 4444 Holland Avenue, Holland Charter Township

Equestrian Opportunities:

Two horseback riding stables with rental options are available in adjacent Park Township, and one is available in Holland Charter Township. There are currently no public equestrian trails in the City of Holland. In Ottawa County, equestrian trails are available at Pigeon Creek Park (3 miles), Eastmanville Farm (4.5 miles) and the Musketawa Trail (10 miles).

COUNTY AND REGIONAL FACILITIES

There are a number of county and regional facilities and public lands that meet the special recreational needs of the City of Holland. The primary recreational activities of these parks is often camping, swimming, hiking, and picnicking. The following activities are within a ten mile radius:

Cottonwood Township Park (Allegan County) includes restrooms, gazebo with a large grill and table, children's play area and trails of crushed stone.

Kirk Park (Ottawa County) is located on Lake Michigan in Grand Haven Township. This 68 acre park consists of shoreline dunes, mature deciduous forest, pine plantations, and varying topography. Facilities include 1,350 feet of beach, picnic areas with grills, playground equipment, lodge, restrooms and parking for 310 vehicles.

Tunnel Park (Ottawa County) is located on Lake Michigan in Park Township. This 22 acre park features a unique tunnel through the dunes, dune climb, parking, playgrounds, beach and picnic areas.

Pigeon Creek Park (Ottawa County) is located in Olive Township, north of the City of Holland. This 100 acre park consists of inland dunes, mature deciduous forest, pine plantations, and a portion of Pigeon Creek. The facilities include several miles of hiking and cross-country skiing trails, a small sledding hill, picnic area, group camping area, boardwalks, and lodge building with restrooms, concessions, and ski rentals.

Hemlock Crossing/Pine Bend (Ottawa County) is 239 acres of woods and wetlands along the Pigeon River in Port Sheldon Township just west of US 31. Facilities include two small picnic shelters, a kayak/canoe launch, over a mile of paved trail and over 6 miles of trails for hiking and cross country skiing. A pedestrian bridge and numerous overlooks offer scenic views of the river corridor, wetlands, natural springs and woods. Pine Bend is a secondary access on the west end of the property that offers parking and a trailhead. Future plans include the development of a Nature Center at this site.

The Upper Macatawa Conservation Area (Ottawa County) located in Zeeland Township, includes 576 acres along the Macatawa River. The site offers passive recreation opportunities while recognizing the value of the site for water quality improvement, flood water storage and wildlife habitat enhancement. Recent improvements include parking areas on 84th and 76th Avenues as well as the development of footbridges, picnic areas and overlooks. Trails for hiking and cross-country skiing, including a section of paved trail that will be part of the future Macatawa Greenway trail system is also complete.

Mt. Pisgah (Ottawa County) is a large parabolic dune that offers a panoramic view of Lake Michigan, Lake Macatawa and surrounding woods. A wood stairway provides access to the top of the dune, which features viewing platforms and connections to Holland State Park trails.

Adams Street Landing (Ottawa County) is a ten-acre site with mature trees and 1200 feet of frontage on the Macatawa River. Visitors will enjoy fishing, picnicking as well as a launch site for canoes and kayaks.

Hawthorn Pond Natural Area (Ottawa County and Holland Charter Township) is a 40-acre park offering a walking trail around the 5-acre Hawthorn Pond with a kayak launch ramp. There are lookout stations at various locations around the pond as well as on the Macatawa River. Hawthorn Pond Natural Area is jointly owned by Holland Charter Township and Ottawa County.

Historic Ottawa Beach Parks (Ottawa County) includes 80 acres of land in Holland, Michigan, located between the north shore of Black Lake (now Lake Macatawa) and Lake Michigan. In May 1886, Ottawa County Surveyor Albert Peck platted the resort with 150 cottage lots, streets, and a lot for a hotel. He designated the majority of the land as park area owned in common by cottagers, with each residential lots abutting one of the parks. The Hotel Ottawa, built immediately by the Chicago and West Michigan Railroad (later the Pere Marquette Railway), was one of the largest resort hotels on the eastern shore of Lake Michigan. Some guests arrived by train, many more by steamship from Chicago. The hotel burned in 1923.

Riley Trails (Ottawa County) is 300 acres of rolling terrain, beech-maple forest, pine plantations, and an informal trail system located in Park Township. The property has long been enjoyed by hikers, cross country skiers, mountain bikers and other outdoor enthusiasts. Although county-owned, Park Township has provided assistance over the years in maintaining the site for public use. In 2006, the County Board of Commissioners transitioned the property to Ottawa County Parks.

Holland State Park (State of MI) is located in the far southwest corner of Ottawa County in Park Township. This facility covers 142 acres and provides two large campgrounds, picnic areas with grills, playgrounds, fishing, beach with beach house, and parking. Holland State Park has one of the highest visitor attendance of all the state parks in Michigan.

Saugatuck Dunes State Park (State of MI) contains 909 acres north of Saugatuck, on Lake Michigan. Facilities include parking, picnic areas, beach and trails.

Laketown Township Beach Park (Laketown Township) is a 2.7 acre park, located at the western end of 142nd Street, has 200 feet of Lake Michigan frontage and is used for swimming and other beach related activities. A large sand dune separates the parking area and the beach.

RECREATION GRANT INVENTORY

The City of Holland has been fortunate to receive a total of thirteen 13 grants through the Michigan Department of Natural Resources over the las 53 years.

An itemized Recreation Grant History can be found in the Appendices.

5 PLANNING AND PUBLIC INPUT PROCESS

RECREATION PLANNING

Recreation planning plays an important role in maintaining the quality of life in a community. If a community is to provide effective recreational opportunities, it needs a way of identifying and solving current problems and anticipating future needs. Recreation planning is one means of obtaining a perspective on these problems; developing realistic alternatives; formulating goals, policies, and recommendations for public and private decisions; developing criteria to measure change; and involving people in the planning, design and decision processes.

This Parks and Recreation plan presents an evaluation of the City's recreational needs and opportunities. It considers the existing amenities in the City, the current and anticipated demand for additional or improved facilities, and the means for providing those facilities.

This plan is to serve as a guideline for directing the City in the operation and maintenance of existing and future facilities and programs to meet the recreational needs of its citizen's. The plan summarizes long-term recommendations intended to guide the development of recreation opportunities and describes an action and capital improvement program for implementation over the next five years.

PLAN PROCESS AND DEVELOPMENT

This 2024 Community Parks and Trails Plan was developed by the City, with the assistance of MCSA Group, Inc, a park and recreation planning consultant. Staff met regularly with representatives of MCSA Group, between October 2023 and January 2024 for the development of this plan.

Criteria considered and evaluated for plan development evolved from the examination of goals and recreation standards determined through a wide variety of input sources. This information was collected from the inventory and review of existing facilities; the identification of recreation needs and deficiencies; public opinion; current statewide recreation issues and priorities; and future expectations.

Public input was sought throughout a survey held to solicit public desires and concerns regarding parks and recreation. The survey was advertised via email, the City website and social media. The survey was available on the internet via Survey Monkey. A total of 000 surveys were completed. The survey was well received and indicated a high level of satisfaction with the City’s Parks and Recreation system. Comments from the survey were incorporated into a final draft of the Plan. The public input schedule was as follows.

Plan Process Timeline	
Release/Distribute Public Survey	November 14, 2023
Survey Return Deadline	December 18, 2023
Public Review <i>Draft of Final Plan available for 30-day Public Review as required by the DNR</i>	December 12, 2023 - January 12, 2024
Public Hearing <i>Public Hearing & Adoption of Plan by Township Board of Trustees</i>	January 17, 2024
Plan Completion and DNR Submittal	February 1, 2024

PLAN PROCESS AND DEVELOPMENT CONTINUED

The survey found that over 83% of the recreation programs in the City are meeting the residents needs. The most utilized parks facilities are Kollen, over 80% of respondents have utilized in the past 12 months, Centennial with 71% utilization by respondents, and Moran Parks with 59%. Respondants noted that the condition of the parks, facilities and amenities if their highest priority. Overall maintenance of the City parks was rated as good on a scale of excellent to poor. Over 51% of respondents stated that their highest priority for future implementation was to develop a centralized indoor recreation facility.

A summary of all the answers and comments can be found in the appendices of this report.

RECREATION NEEDS AND DEFICIENCIES 6

This section of the plan identifies recreation deficiencies determined through a variety of means. Study methods include comparison to recreational standards for acreage and facilities, geographic distribution of existing facilities, direct input from the City of Holland staff and representatives, and public input and participation. While each of these methods has its limitations, using a combination of methods will yield a more accurate assessment of recreational needs and deficiencies. The following is a brief description of each of the methods used.

RECREATION STANDARDS

While only a guide, recreation standards provide a benchmark for evaluating the relative adequacy or inadequacy of the City's recreation system. This plan has used as a guide the 1983 Recreation, Park, and Open Space, Standards and Guidelines and 1995 Park, Recreation, Open Space and Greenway Guidelines published by the National Recreation and Park Association.

Typical recreation standards establish a certain number of activity-specific recreational facilities per 1,000 of population (e.g. 1 tennis court per 2,000 persons). Other standards establish a certain number of acres per 1,000 of population for different types of park facilities, such as neighborhood, community and regional parks. These standards are adapted to reflect the City's character and compared with the existing and projected population. This plan will combine both approaches to ascertain deficiencies in recreational facilities and acreage. The U.S. Census Bureau population estimate was used for the purposes of this study.

There are two basic types of recreational experiences: "active" and "passive."

“Active” recreation requires space and facilities capable of accommodating exertive activities. Such facilities include: sports fields, play apparatus areas, open areas, special facilities, such as pools and court areas, and areas for organized activities. On the other hand, “passive” recreation requires little more than space and furniture for quiet, non-exertive activities for limited numbers of users. Recreation areas must provide for both types of use and preferably include a variety of opportunities for each to respond adequately to a wide range of interests and age groups.

Parks are generally classified by purpose and area per population served. They range in type from mini-playlots and green areas to large regional and national parks.

RECREATION STANDARDS FOR ACREAGE

MINI PARKS

Description

Mini-parks serve a concentrated or limited population or specific group, such as families with very young children or senior citizens, as determined by the distance that can be easily traveled by the local user. The facilities that are provided in these types of parks are generally specialized, such as play equipment or green space with benches for passive activities.

Service Areas

The area served by a mini-park is generally considered to be less than one quarter (1/4) mile radius in size. This will vary slightly depending on ease or difficulty of access and the character of the facility.

Mini Park Acreage Standards

Nationally accepted standards for mini-parks recommend 0.25 to 0.5 an acre per 1,000 of population with one (1) acre as a desirable size.

Existing Mini Recreation Acreage

The City of Holland currently has six (6) parks that fall into this category. Refer to the Recreation Inventory for specific park names and sizes. As many of the functions of mini-parks are also served by neighborhood parks these should be looked at together rather than individually.

NEIGHBORHOOD PARKS

Description

Neighborhood parks serve individual neighborhood populations as determined by the distance that can easily be traveled by local users for relatively short periods of recreation. Facilities provided in these parks are generally active in nature and include multipurpose open play areas for pick-up games, play apparatus, court areas, landscaping, site furnishings and possibly a shelter. Special areas for bike riding or specific court games may also be provided. Activities for all seasons should also be included.

Service Areas

The area served by neighborhood parks is generally considered to be a one quarter (1/4) mile to one half (1/2) mile radius in size and should be uninterrupted by non-residential roads or other physical barriers.

Neighborhood Park Acreage Standards

Nationally accepted standards for neighborhood parks recommend one or two (1-2) acres per 1,000 of population with five (5) acres as a minimum size and five to ten (5-10) acres optimal. It is recommended that the minimum of two (2) acres per 1,000 population be used as a guide for site selection.

Existing Neighborhood Recreation Acreage

The City of Holland currently has eight (8) neighborhood parks. Refer to the Recreation Inventory for specific park names and sizes. For analysis purposes, mini-parks and neighborhood park land shall be combined, as they serve a similar purpose. The City of Holland currently has 48.8 acres of mini and neighborhood parkland on a total of 14 sites

Needs and Deficiencies:

The table below compares the 2020 City population to the recreation standard of two (2) acres per 1,000 persons.

For the 2020 population, there is deficiency of 19.92 acres for mini and neighborhood recreation in accordance with the recreational standards.

2020 Population	Mini and Neighborhood Rec.Acreage required	Mini and Neighborhood Rec.Acreage Available	Deficiency/Surplus
34,368	68.72	48.8	-19.92

The use of the acreage standard must be coupled with a review of the location and accessibility of the existing recreation areas. Additionally, the recreational acreage should be accessible on foot without having to cross busy streets or negotiate physical barriers.

COMMUNITY PARKS

Description

Community-wide parks provide a range of facilities and areas capable of supporting organized community participation programs that would not be appropriate in neighborhood parks because of their average size or traffic volume generated. Facilities should be Centrally located, diverse enough to accommodate all age groups for both active and passive experiences and organized so that compatible uses relate to one another. Adequate parking and vehicular circulation is also important, since park users will generally arrive at these parks by vehicle. Lighted use areas significantly increase the recreational value of parks of this type. Typical facilities recommended for community parks include ball fields, open use areas, tennis courts, picnic areas, play apparatus areas, restrooms and shelters. Additional special facilities could include band shells, amphitheaters, swimming and wading pools, community-meeting buildings, skating facilities, bicycle courses and nature study areas.

As with neighborhood parks, it is often beneficial to develop community parks in conjunction with junior or senior high schools where practical because of the athletic fields and courts potentially available for public use. This arrangement assures the maximum level of use as well as the most practical expenditure of development funds.

COMMUNITY PARKS CONTINUED

Service Area

The area served by community-wide parks varies significantly from one municipality to another because of the distribution of population and related factors. However, a community park usually serves two or more neighborhoods in a half to three-mile radius.

Community Park Acreage Standards

The size of a community park varies according to the desired uses but is usually between 30 and 50 acres. It is recommended that a range of five (5) to eight (8) acres per 1,000 population be used as a standard basis for development.

Existing Community Recreation Acreage

The City of Holland has 6 facilities which would fall within the Community Park classification.

Needs and Deficiencies:

The following table compares the 2020 City of Holland population to the recreation standard of eight (8) acres per 1,000 persons.

For the 2020 population, there is deficiency of 3.55 acres for community recreation in accordance with the recreational standards.

2020 Population	Community Rec. Acreage required	Community Rec. Acreage Available	Deficiency/Surplus
34,368	274.94	271.5	-3.55

NATURAL RESOURCE AREAS/OPEN SPACE

Description

Natural resource areas are lands set aside for preservation of significant natural resources, remnant landscapes, open space and visual/aesthetic buffering. These sites are typically unsuitable for development but offer natural resource potential and can support recreational activities at a level that preserves the integrity of the natural resource. The location and size of these parks are largely governed by availability.

Existing Natural Resource Area Acreage

The City has one City Park, Degraaf Nature Center that has an acreage of 18.0.

Needs and Deficiencies

There are no recognized acreage standards for natural resource areas and the Township is fortunate to have a significant amount of natural resource acreage within the Leroy Township limits.

SPECIAL USE FACILITIES

Description

The Special Use classification covers a broad range of parks and recreation facilities oriented toward single-purpose use. Special uses generally fall into three categories:

- **Historic/Cultural/Social Sites:** Unique local resources offering historical, educational, and cultural opportunities. Examples include historic downtown areas, performing arts parks, arboretums, ornamental gardens, performing arts facilities, indoor theaters, churches, public buildings, and amphitheaters.
- **Recreation Facilities:** Specialized or single purpose facilities. Examples include community centers, senior centers, community theaters, hockey arenas, marinas, golf courses, and aquatic parks.
- **Outdoor Recreation Facilities:** Examples include tennis centers, softball complexes, sports stadiums.

SPECIAL USE FACILITIES CONTINUED

Existing Special Use Facility Area Acreage

The City of Holland has 2 facilities which would fall within the Special Use Facility classification.

Service Area

Recreation needs, community interests, the type of facility, and land availability are the primary factors influencing location. Special use facilities should be viewed as strategically located community-wide facilities rather than as serving well-defined neighborhoods or areas. Where feasible, a geographically central site is optimal. The site should be easily accessible from arterial and collector streets, where feasible.

Special Used Facility Acreage Standards

Facility space requirements are the primary determinants of site size. As an example, a golf course may require 150 acres, whereas a community center with parking may fit on 10 or 15 acres.

LINEAR PARKS AND PATHWAYS

Description

There are a number of different types of trails that can provide both transportation and recreation opportunities. Trails may be located within parks, on an independent right-of-way, or within the road right-of-way. Connector Trails are defined as “multi-purpose trails that emphasize safe travel for pedestrians to and from parks and around the Community” (J.D. Mertes and J.R. Hall, Park, Recreation, Open Space and Greenway Guidelines, 1995). These trails are generally located within the road right-of-way and can be divided into two types. Type I has separate paths for different user types, such as pedestrians and bicyclists. Type II has mixed uses and is suited to lighter use patterns. As an example, a golf course may require 150 acres, whereas a community center with parking may fit on 10 or 15 acres.

LINEAR PARKS AND PATHWAYS CONTINUED

Existing Facilities

Off-road linear trails are currently provided by the Heinz Waterfront Walkway and Kollen Park boardwalk and Window-on-the-Waterfront. Van Raalte Farm also has an extensive trail system, although this is restricted to pedestrian and cross-county skiing use. Paw Paw Park also has a natural trail system.

The City of Holland has extensive walking/bicycle paths located on City Streets. These pathways link to neighboring communities and regional trails.

Needs and Deficiencies

Linear parks and trail development was identified as a priority during the planning process, particularly along the waterfront. Future consideration should be given to providing off-road bike paths or non-motorized trails primarily for bike and pedestrian use, which link residential areas to school/ park developments and to City and neighboring community recreation facilities.

RECREATION STANDARDS FOR ACTIVITIES/FACILITIES

The existing and future recreation needs of the City of Holland were examined in comparison to state and national standards for key activities. The following table compares the recommended number of facilities per population for the City of Holland (currently 34,368) with the existing facilities available and illustrates any current or projected deficiencies.

The table on the following page compares the recommended number of facilities per population for the City with the existing facilities available and illustrates any current or projected deficiencies.

While standards for comparison address the quantity of facilities desirable for a particular number of persons, they do not address quality or location concerns. Consequently, any community that has the appropriate numbers of facilities may not have facilities of a useful or desirable quality or may not have facilities located where they would be most accessible to residents.

2024 RECREATION STANDARDS AND DEFICIENCIES CITY OF HOLLAND

FACILITY	STANDARD	RECOMMENDED FACILITIES	EXISTING FACILITIES	FACILITY DEFICIENCIES
Softball/Baseball	1:5,000	7	5	-2
Soccer	1:10,000	3	7	
Basketball (outdoor)	1:5,000	7	5	-2
Football	1:20,000	2	0	-2

Sledding Area	Provide as available			
Trails	1 system per region			

RECREATION FACILITIES SUMMARY

The City of Holland takes pride in its parks and recreation facilities and demonstrates good stewardship of its natural resources. While substantial improvements have been achieved over the last 10 years, there is a definitive need for more parks with active recreation.

GOALS AND OBJECTIVES 7

The City of Holland has developed the following goals and objectives for park and recreation facilities and programs. These Goals and Objectives are based upon input from citizens, elected and appointed City officials, and City staff. The goals are long-range in nature and intended to be broad in scope and flexible enough to accommodate future change. The objectives are intended to direct specific program and development decisions to be made within the next five years. Both the goals and objectives are intended to guide actions but be flexible enough to reflect changing attitudes and opportunities as they may present themselves. Time and attitude changes can have an impact on specific options, and it is essential for the City of Holland to be responsive to its citizens.

The goals and objectives for the City in meeting the recreation needs of residents are outlined below.

GOAL 1:

Borrow from the traditional Dutch traits of creativity and efficiency to improve and extend resources.

Objectives:

- Develop partnerships to maximize the use of recreational facilities within the city.
- Evaluate areas where facilities are underutilized, or programs are not well attended.

- Develop partnerships with groups who could provide services that make park facilities more attractive to users.
- Maximize staff/ schedules.
- Continue conversation with potential partners to share resources such as Park Township, Laketown Township, Holland Charter Township and the City of Zeeland.
- Accommodate current trends without disproportionate spending on single-use facilities.
- Adaptive reuse of existing facilities to accommodate new or resurging uses.

GOAL 2:

Preserve and promote the historical and cultural heritage of the city.

Objectives:

- Work toward the completion of the historical restoration plan for all historical parks.
- Work to encourage and develop other historical/tourist facilities in the city.
- Provide Interpretive opportunities at parks discussing the history and heritage of the City of Holland
- Include industrial history where applicable
- Provide venues for cultural programming, such as performance space at Kollen Park.

GOAL 3:

Practice and promote good stewardship of park lands.

Objectives:

- Maintain parks and facilities to high standards.
- Continue to rehabilitate and/or redesign many of the city parks.
- Depair any damage or graffiti done immediately.
- Develop a marketing strategy that will better educate community residents on the effects of vandalism and improper use of city facilities.
- Install deterrent systems such as digital cameras

- Make it easier for users to participate in maintenance/stewardship of public spaces.
- Provide clearly marked landfill/recycle receptacles in all parks and facilities that are located conveniently for grounds staff to empty and for visitor use.
- Install receptacles that are of consistent color/style/quality and with standard labels for waste.

GOAL : 4

Provide accessible, enriching recreational opportunities and experiences for all people.

Objectives:

- Plan and develop park areas to offer passive as well as active opportunities.
- Diversify the types of facilities offered.
- Rehabilitate and improve existing park sites to meet and exceed all safety and accessibility regulations.
- Ensure a variety of facilities to provide opportunities for all residents, regardless of race, income, and ability.
- Provide equal access to sports programming for low-income families and individuals who live beyond walking distance to parks.

- Partner with elementary schools to expose students to a variety of athletic and recreation opportunities, including sports like soccer, lacrosse, tennis, competitive swimming, and golf.
- Expand drop-in recreation such as basketball, futsal, etc.
- Advertise low-cost or free activities as well as any scholarship opportunities.
- Provide key information and signage in multiple languages.

GOAL : 5

Provide a safe environment for parks users.

Objectives:

- Work with neighborhood associations to evaluate the perceived level of safety in the parks. Community Police Officers will be involved in the programming whenever possible.
- Strive to make each city park visibly and physically inviting.
- Encourage neighborhoods to adopt a park or participate in adopt a park.
- Rehabilitate and improve existing park sites to meet and exceed all safety and accessibility regulations.

GOAL : 6

Provide facilities, trails, and programming opportunities available year-round, both indoor and outdoor.

Objectives:

- Identify opportunities for winter-time recreation
- Identify cross-country ski/snow-shoe trails to maintain and possibly to expand.
- Maintain a plowed parking lot at identified parks throughout winter months for ice fishing access.

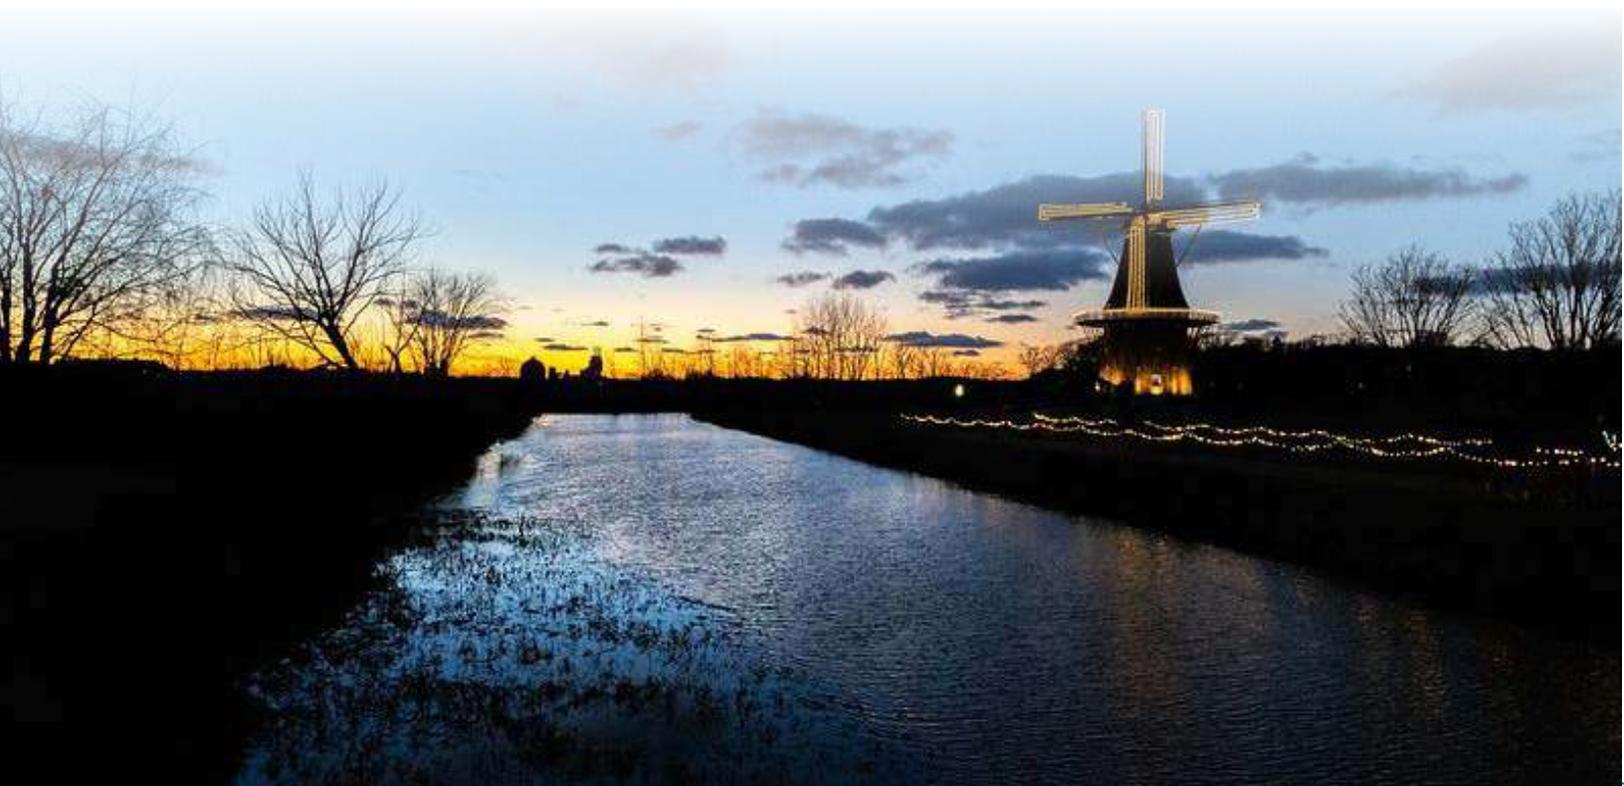

GOAL : 7

Provide linkages between Holland's neighborhoods, its parks, and the waterfront. Maximize the use of Hollands waterfront for recreational purposes.

Objectives:

- Identify existing parcels where land use is blocking waterfront access and limiting pedestrian connections, determine land swap opportunities, land acquisition, or rights of way to maintain continuity.
- Assess property acquisition opportunities for continuous waterfront trail from Kollen to Windmill Island.
- Continue to seek public/private partnerships to both develop public lands and to provide additional support facilities and activities on the city's waterfront properties.
- Improve public access to Lake Macatawa
- Embrace the National Park Service National Water Trail Best Management Practice (BMP) criteria by promoting, establishing, and improving recreational opportunities that encourage use of the local and Great Lakes Region water trails.

ACTION PROGRAM & 8 CAPITAL IMPROVEMENT SCHEDULE

ACTION PROGRAM

The Action Program and Capital Improvement Schedule for the City of Holland Park and Recreation Plan states the proposed course of development or improvement that will be taken over the next five years. The Goals and Objectives, from the previous section, serve as guidelines for the development of the Action Program. The Capital Improvement Schedule which follows will focus on the needs identified in the Action Program and will project potential expenditures for the five-year action period on a year-by-year basis. The five-year period will begin in 2024 and extend through 2028. This time period will not be sufficient to accomplish all of the goals and objectives but begins to prioritize those projects that may be achievable within the initial five years.

The Action Program focuses on reduction of deficiencies and expansion and improvements of facilities in a manner that not only meets current needs, but also diversifies the type and quality of recreational opportunities within the City. The Community Park and Recreation Plan identifies these needs in general terms in the Recreation Needs and Deficiencies section, the Action Plan describes specific actions to be taken to address these needs, and the Capital Improvement Schedule specifically itemizes those projects which will be most feasible during the next five years. The proposed schedule will allow for flexibility as funds become available and as opportunities are presented.

The following actions are comprehensive and may require more than five years to complete.

The following projects have been identified for improvements and will occur as funds allow.

Year	Project	City	Other Funds*	Total Project Costs**
Ongoing Maintenance/ Repairs				
2024	City Hall Renovations	\$425,000		\$425,000
2024	Civic Center - Maintenance	\$25,000		\$25,000
2024	Civil Center Equipment	\$75,000		\$75,000
2024	Civic Center Equipment	\$100,000		\$100,000
2024	Degraaf Maintenance	\$250,000		\$250,000
2024	Baseline Maintenance Costs Facilities	\$75,000		\$75,000
2024	Baseline Fix It First Costs - Parks	\$75,000		\$75,000
2025	Civic Center Venue Upgrades	\$25,000		\$25,000
2025	Civic Center Food and Beverage	\$15,000		\$15,000
2025	Degraaf Maintenance	\$25,000		\$25,000
2025	Baseline Maintenance Costs Facilities	\$50,000		\$50,000
2025	City Hall Renovations	\$425,000		\$425,000
2025	Civic Center - Maintenance	\$25,000		\$25,000
2025	Baseline Fix It First Costs - Parks	\$75,000		\$75,000
2026	Civic Center - Maintenance	\$25,000		\$25,000
2026	Degraaf Maintenance	\$10,000		\$10,000

2028	Baseline Maintenance Costs Facilities	\$100,000		\$100,000
2028	Baseline Fix It First Costs - Parks	\$100,000		\$100,000
General Park Improvements				
2024	Any Park - Pickleball Courts	\$10,000		\$10,000
2024	Kollen Park Paving	\$300,000		\$300,000
2024	Window on the Waterfront Boardwalk Repairs	\$25,000		\$25,000
2025	Park Playground Improvements	\$75,000		\$75,000
2025	Tennis Court Resurfacing	\$50,000		\$50,000
2026	Parks Paving	\$100,000		\$100,000
2026	Any Park - Pickleball Courts	\$10,000		\$10,000
2027	Park Playground Improvements	\$75,000		\$75,000
2028	Tennis Court Resurfacing	\$50,000		\$50,000
2028	Any Park - Pickleball Courts	\$10,000		\$10,000
Specific Park Improvements				
2024	Lakeview Park	\$300,000		\$300,000

2024	Maplewood Batting Cages	\$100,000		\$100,000
2024	Moran Park – Futsol and Fencing	\$85,000		\$85,000
2024	Greenhouse (16 th Street Parks Dept)	\$10,000		\$10,000
2024	Centennial Park Improvements	\$25,000		\$25,000
2024	Heinz Boardwalk	\$25,000		\$25,000
2024	Move Old Greenhouse	\$350,000		\$350,000
2024	Waterfront Holland Public Improvements	\$150,000		\$150,000
2024	Window on the Waterfront Boardwalk Repairs	\$25,000		\$25,000
2024	Ice Ribbon (Waterfront Park at 6 th and college)	\$12,000,000		\$12,000,000
2025	Maplewood Gazebos	\$90,000		\$90,000
2025	Van Raalte Trails	\$75,000		\$75,000
2025	Kollen Park – Outdoor Performing Facility	\$3,000,000		\$3,000,000
2025	Recreation Center Planning	\$100,000		\$100,000
2025	Pump Cycle Track	\$25,000		\$25,000
2025	Park Playground Improvements	\$75,000		\$75,000
2026	Moran Park Improvements	\$50,000		\$50,000
2026	Maplewood Turf	\$500,000		\$500,000
2027	Park Playground Improvements	\$75,000		\$75,000
2027	Cemetery Addition	\$750,000		\$750,000
2027	Recreation Center Construction	\$20,000,000		\$20,000,000

	Expand Window on the Waterfront Trails			
	Expand Van Raalte Trails			
	Maintain a plowed parking lot at Kollen Park throughout winter months for fishing access			
	Provide venues for cultural programming, such as performance space at Kollen Park			
	Add to current water trail system on Lake Macatawa with kayak launches with locations at Kollen, Van Raalte, Van Bragt, Window on the Waterfront and Paw Paw Park			
Non-Monetary Action Items				
	Create standardized site amenities at all the parks including but not limited to: Water and recycle containers, benches, picnic tables, drinking fountains, etc. As the existing site amenities need to be replaced, utilize the standard.			
	Adaptive Reuse of existing facilities to accommodate new or resurging uses			
	Accommodate programmatic needs whenever possible by supplying signage, temporary equipment or overlapping uses.			
	Continue ongoing partnership with Holland Public Schools to expose students to a variety of athletic and recreational opportunities including sports like soccer, lacrosse, tennis, competitive swimming and golf			
	Advertise low-cost or free activities as well as any scholarship opportunities

Q5 Have you or members of your household participated in recreation programs offered by the City of Holland in the last 12 months?

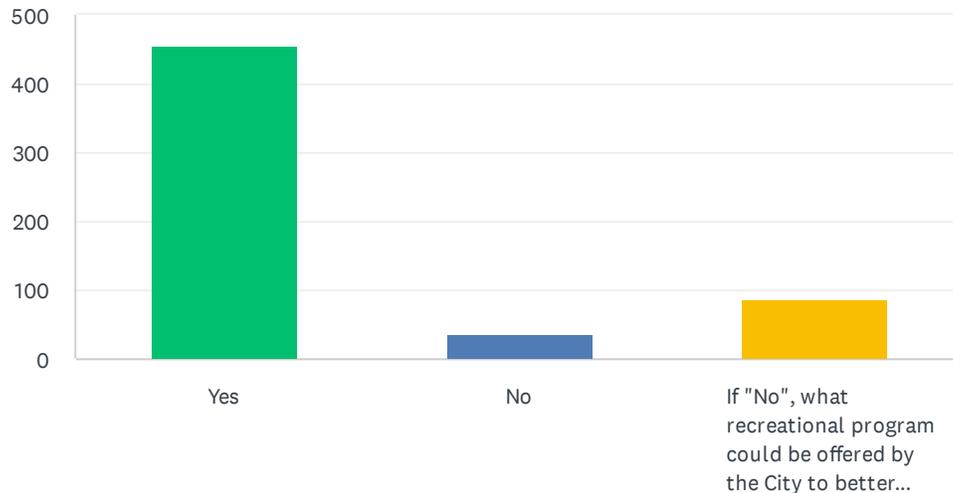

Answered: 584 Skipped: 13

ANSWER CHOICES	RESPONSES	
Yes	61.99%	362
No	38.01%	222
TOTAL		584

Q6 Overall, the recreational programs offered (classes, special events, sports, etc.) in the City of Holland meet my family's needs?

Answered: 580 Skipped: 17

ANSWER CHOICES	RESPONSES
Yes	78.62% 456
No	6.38% 37
If "No", what recreational program could be offered by the City to better meet the needs of yourself or your family?	15.00% 87
TOTAL	580

#	IF "NO", WHAT RECREATIONAL PROGRAM COULD BE OFFERED BY THE CITY TO BETTER MEET THE NEEDS OF YOURSELF OR YOUR FAMILY?	DATE
1	There are a few options for baby and toddlers outside of business hours which doesn't work for working parents. Also I would like to see more fine arts options for kids since there aren't many and they seem to fill up very fast.	12/9/2023 11:05 AM
2	Preschool age classes	12/8/2023 11:50 PM
3	Hiking local parks	12/8/2023 1:20 PM
4	I'd like more adult learning classes like Zeeland Rec has. Just because we're older doesn't mean we should stop learning!	12/8/2023 11:39 AM
5	More for senior citizens	12/5/2023 8:27 PM
6	Spanish cooking classes, nonathletic group activities such as knitting circles or reading groups	12/5/2023 7:12 PM
7	I dont know what is offered	12/5/2023 7:17 AM
8	We stopped playing rec soccer when the travel component was introduced- too hard to get three kids everywhere when places are far apart. Really miss the many summer swim class options - maybe they'll be back now that the Aquatic Center is open?	12/4/2023 9:58 PM
9	I wish there was more options for ages 3-5	12/4/2023 7:44 PM
10	More events for family participation	12/4/2023 2:20 PM
11	Arts and crafts activities (painting, ceramics, woodworking, etc.)	12/4/2023 9:19 AM

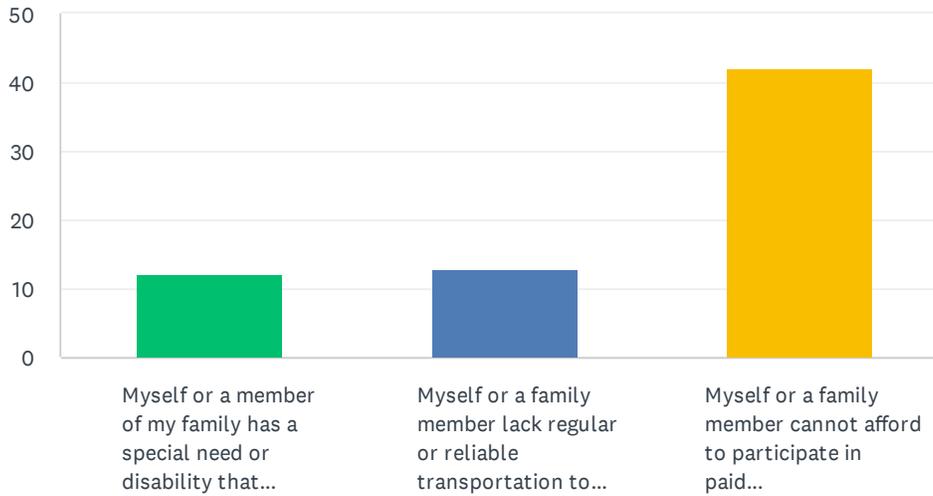

12	n/a	12/3/2023 9:18 PM
13	Do not know, because most of them are not interested	12/2/2023 11:22 AM
14	Adult soccer	12/1/2023 11:27 PM
15	More adult classes	12/1/2023 10:48 PM
16	More programs that are accessible to people of all skill levels	12/1/2023 8:55 PM
17	More adult events and classes	12/1/2023 4:49 PM
18	Yoga in the parks would be great!	12/1/2023 11:06 AM
19	Platform tennis (and later in BBC winter on heated elevated courts and in summer can use for pickle ball or paddle as well though predominantly winter sport - it's huge in suburban Chicago and provides park district with year round income and gets people active outside in winter)	12/1/2023 10:11 AM
20	More pickle ball courts and indoor ones	12/1/2023 10:00 AM
21	More offerings for beginner adult sports & more offerings for 5-12 youth sports that recognize not all kids play on travel teams	12/1/2023 9:28 AM
22	I have no idea what's offered. How do I find out?	12/1/2023 8:23 AM
23	"Sort of". I love a lot of what is offered, but there are gaps in affordability, building community as well as alternative concepts such as meditation/relaxation, walking groups, encouragement for groups to use the parks for small events, etc.	12/1/2023 8:20 AM
24	Lessons on sailing	12/1/2023 6:32 AM
25	There's an assumption adults know how to play things like baseball, soccer or flag football. Adult lessons would be very beneficial. A broader fishing program would be welcome.	11/30/2023 3:13 PM
26	Dancing for Adults, Beginner Yoga/Stretching. If offered by other public/non-profits, advertise together	11/30/2023 12:05 PM
27	More outreach to those interested in becoming active is needed	11/29/2023 10:39 AM
28	Pickleball classes or indoor play areas for cold weather seasons	11/26/2023 9:53 PM
29	More for parents and very small children	11/24/2023 10:41 AM
30	Timing of martial arts classes is not convenient. Would love a non Friday evening option.	11/22/2023 10:51 PM
31	need more pickleball courts and less expensive fees for the pickleball leagues	11/22/2023 9:25 PM
32	PICKLEBALL	11/22/2023 8:32 AM
33	Craft classes: jewelry making, 3D Printing, pottery, weaving, sewing, foraging, plant identification, eco-friendly skills: gardening, composting & rain barrels, building a cob structure in MI	11/21/2023 10:03 PM
34	We tend to do Park Township programs	11/21/2023 10:09 AM
35	Higher level competitive programs for youth with more indoor training opportunities during off months	11/17/2023 9:53 AM
36	Dance or gymnastics for 2 year olds. Also a swim class for that age group that is more than just basics	11/16/2023 10:14 PM
37	more youth sports - gymnastics, soccer, basketball	11/16/2023 11:00 AM
38	Unsure of programs	11/16/2023 10:55 AM
39	gymnastics, musical classes	11/16/2023 9:39 AM
40	extend flag football through at least 6th grade	11/16/2023 8:49 AM
41	More pickleball options	11/16/2023 8:15 AM
42	Open gym at the Civic Center and better community transportation options.	11/16/2023 7:19 AM
43	Theatre/acting	11/16/2023 6:41 AM

44	Less competitive sports for older kids who just want to play and not have too many practices or games or tryouts, etc	11/16/2023 5:25 AM
45	Would love to see the return of adult community ed classes; they offered everything from cake decorating to salsa dancing. thing	11/15/2023 11:09 PM
46	Stop taking over pickleball courts	11/15/2023 9:19 PM
47	Roller Derby/ Junior Roller Derby	11/15/2023 9:18 PM
48	Gymnastics classes for toddlers	11/15/2023 7:29 PM
49	Pickleball	11/15/2023 5:57 PM
50	More offerings for 5 yr olds	11/15/2023 5:54 PM
51	We'd love to see some art/craft classes for younger kids (maybe lower elementary).	11/15/2023 5:44 PM
52	More adult programs	11/15/2023 5:28 PM
53	More pickleball league options	11/15/2023 4:46 PM
54	There are classes that would interest my child but he doesn't always meet the age or gender requirement for these classes. There are also classes I am interested in, but the times they are offered are not ideal for me with my work schedule (too late in the evenings, or during the day).	11/15/2023 4:14 PM
55	More variety!	11/15/2023 3:37 PM
56	Wish for programs for 13years old and older	11/15/2023 3:28 PM
57	Men's volleyball- specifically youth for boys.	11/15/2023 3:10 PM
58	Poorly run girls tball	11/15/2023 2:44 PM
59	more diverse adult activities (not just basic sports)	11/15/2023 2:33 PM
60	adult classes at same time/location as kids programming	11/15/2023 1:57 PM
61	Items that would include people over 65	11/15/2023 1:49 PM
62	I'd love to see more free indoor options available for families with toddlers to move around, especially during the winter months.	11/15/2023 1:49 PM
63	More low income housing	11/15/2023 1:46 PM
64	More affordable pickleball leagues	11/15/2023 1:33 PM
65	More options for younger children	11/15/2023 1:24 PM
66	Cricket Play ground	11/15/2023 1:23 PM
67	Swimming	11/15/2023 1:15 PM
68	Youth motor skill and gymnastics - like prek-3rd grade	11/15/2023 1:11 PM
69	We would love to have more sporting events! Particularly the holland rec volleyball tournament for St patricks day was our favorite!	11/15/2023 1:04 PM
70	More women activities offered on weekday nights	11/15/2023 1:03 PM
71	More pickleball courts and programs	11/15/2023 1:03 PM
72	More adult classes	11/15/2023 12:59 PM
73	More options for adults outside of sports. I would love to see more art classes and other disciplines.	11/15/2023 12:58 PM
74	Adult soccer	11/15/2023 12:55 PM
75	Yoga classes	11/15/2023 12:54 PM
76	Tai Chi	11/15/2023 12:46 PM

77	More options for younger children	11/15/2023 12:37 PM
78	More pickleball courts.	11/15/2023 12:33 PM
79	Gymnastics for kids!	11/15/2023 12:31 PM
80	Platform/Paddle Tennis. Played outside during winter. It is a combination pickleball and racquet ball	11/15/2023 12:27 PM
81	art programs are great!	11/15/2023 12:26 PM
82	I don't feel that there have been enough class options for 4-5th grade. I saw one volleyball and one basketball option, which unfortunately didn't work out with other commitments. More of those would be great. I do wish there were more art and music class options for 4-5th graders	11/15/2023 12:15 PM
83	Adult Dance, more Adult Art	11/15/2023 8:11 AM
84	Swimming at a lower cost for those who do not live in Holland	11/14/2023 8:54 PM
85	I don't really know about them	11/14/2023 7:45 PM
86	More offerings for older kids-middle school and up	11/14/2023 6:47 PM
87	Culinary classes for both kids and adults. Technogy-based curriculum for kids. Lastly, the city needs to offer the Little League program instead of the current organization as MUCH improvement could come from it.	11/14/2023 4:37 PM

Q7 Do any of these special circumstances apply to you or a member of your family? Understanding how many members of our community require special accommodations helps us to plan more accessible facilities.

Answered: 58 Skipped: 539

ANSWER CHOICES	RESPONSES	
Myself or a member of my family has a special need or disability that prevents regular use and enjoyment of the Holland Parks and Recreation facilities and programming	20.69%	12
Myself or a family member lack regular or reliable transportation to Holland Parks and Recreation facilities	22.41%	13
Myself or a family member cannot afford to participate in paid programming/activities provided by the City of Holland	72.41%	42
Total Respondents: 58		

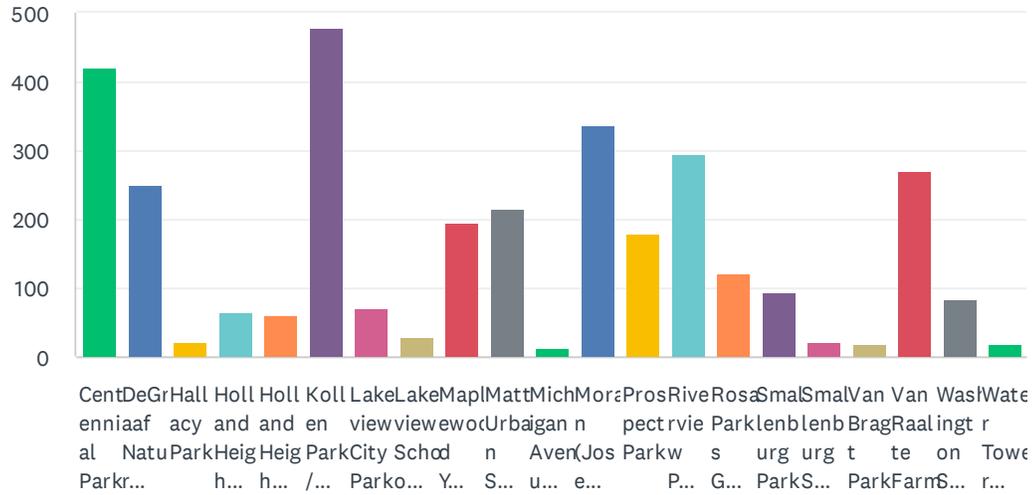

Q8 If you answered "No" to question #7, please skip to question #9. If you answered "Yes" to question #7, please indicate what (if any) activities the disabled member(s) of your household wish they could participate in but cannot due to lack of facilities, classes, etc.

Answered: 22 Skipped: 575

#	RESPONSES	DATE
1	Kids can't drive - really important for them that parks are safely walkable-bikeable	12/4/2023 9:58 PM
2	Ceramics class in February 2024	12/1/2023 7:34 PM
3	Sailing lessons	12/1/2023 6:32 AM
4	A member of the household has difficulty walking. Having more places for resting would help.	11/30/2023 6:47 PM
5	We need more accessible restrooms at our community parks.	11/30/2023 12:05 PM
6	Music at parke	11/16/2023 8:28 AM
7	classes/events can often be over-stimulating for my ASD child. Smaller class sizes, instructors that are at least familiar with ASD issues, and things that are more gentle/quiet would be nice. I know it might not be practicle though	11/16/2023 7:19 AM
8	N/A	11/16/2023 7:04 AM
9	Less demanding sports. Fewer practices and games, shorter season. Options to participate with a parent for older kids.	11/16/2023 5:25 AM
10	No	11/15/2023 8:03 PM
11	Cost of programs	11/15/2023 5:21 PM
12	No	11/15/2023 4:00 PM
13	Soccer, dance, gymnastics, swimming lessons. We lack the money to be able to do these programs	11/15/2023 3:37 PM
14	Lack of transportation. The max bus doesn't go to all the locations it use to. Funds also prevent our larger-than-normal sized family from attending.	11/15/2023 1:46 PM
15	It's hard to pay for multiple children in your home to attend a class. It gets expensive when money is already tight.	11/15/2023 1:41 PM
16	I can participate in most but don't have transportation	11/15/2023 1:11 PM
17	I did not see a button for NO on the previous question	11/15/2023 12:49 PM
18	They can't afford to spend extra money on activities, but are interested in some of the classes	11/15/2023 12:39 PM
19	My "high functioning" ASD son was enrolled in the tennis program two summers ago and we were told to get a private instructor. After discovering this, my neurotypical daughter also quit the program.	11/15/2023 12:25 PM
20	Very little options for activities, basketball, etc, outside of Special Olympics	11/14/2023 9:00 PM
21	Better access in kollens Park for fireworks... more handicap accessible bathrooms in all parks	11/14/2023 5:26 PM
22	Something that deals with ASD	11/14/2023 3:09 PM

Q9 Which of the City's park facilities have you or members of your household utilized in the last 12 months?

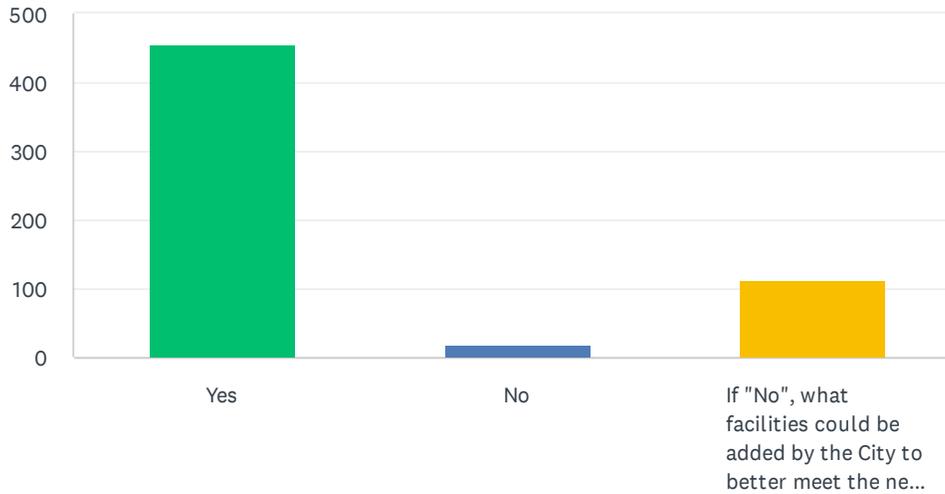

Answered: 586 Skipped: 11

ANSWER CHOICES	RESPONSES	
Centennial Park	72.01%	422
DeGraaf Nature Center	42.66%	250
Hallacy Park	3.41%	20
Holland Heights Park	11.43%	67
Holland Heights School Park	10.24%	60
Kollen Park/Heinz Waterfront Walkway	81.91%	480
Lakeview City Park	12.12%	71
Lakeview School Park	4.78%	28
Maplewood Youth Complex	33.45%	196
Matt Urban Sports and Rec Complex	36.86%	216
Michigan Avenue Park	2.22%	13
Moran (Joseph Moran) Park	57.51%	337
Prospect Park	30.72%	180
Riverview Park/Window on the Waterfront	50.34%	295
Rosa Parks Green	20.65%	121
Smallenburg Park	16.21%	95
Smallenburg Skate Park	3.41%	20
Van Bragt Park	3.24%	19
Van Raalte Farm	46.42%	272
Washington School Green	14.33%	84
Water Tower Park	3.07%	18
Total Respondents: 586		

Q10 Overall, the existing recreational facilities (building, infrastructure, playgrounds, sports fields, etc.) in the City of Holland meet my family's needs?

Answered: 587 Skipped: 10

ANSWER CHOICES	RESPONSES	
Yes	77.51%	455
No	3.07%	18
If "No", what facilities could be added by the City to better meet the needs of yourself or your family's needs?	19.42%	114
TOTAL		587

#	IF "NO", WHAT FACILITIES COULD BE ADDED BY THE CITY TO BETTER MEET THE NEEDS OF YOURSELF OR YOUR FAMILY'S NEEDS?	DATE
1	There are not many parks that are either fenced and completely or have appropriate play structures for children under 3 years old.	12/9/2023 11:05 AM
2	Kollen Park can be so crowded in the summer. I'd love to have more water accessible to the public, particularly since if you compare Holland with other West Michigan shoreline towns, all of the following municipalities are much smaller than Holland (except Greater Muskegon), but have significantly greater waterfront parks (not including those on Lake Michigan). They all have a MUCH higher park-to-resident ratio and many also have extensive waterfront walking paths, riverwalks, and art/sculptures on the water. For comparison: Grand Haven: 6, Greater Muskegon: 8, Pentwater (population < 900): 5, Ludington: 3, Manistee: 7, Saugatuck/Douglas: 5, and Holland: only 2 (one of which is Dunton Park, which is primarily a boat launch).	12/8/2023 11:39 AM
3	more pickle ball courts	12/7/2023 8:36 PM
4	younger child equipment at Rosa Parks	12/7/2023 10:50 AM
5	An indoor skating facility should be built for BMX, inline skating, scooters, and skateboards when the weather is not good for going out to Dirske or Smallenburg Park	12/5/2023 7:12 PM
6	More seating and shade options in summer Kollen Park	12/5/2023 7:17 AM
7	My daughter found a used condom and quite a bit of other refuse when playing at Rosa Parks Green. Overall, this park seems less maintained than some other Holland parks.	12/4/2023 11:41 PM

8	We LOVE our parks - and they all need bike racks!	12/4/2023 9:58 PM
9	Handicap bathrooms, better play ground equipment for little one	12/4/2023 2:20 PM
10	Sadly the waterfront at Heinz is in disrepair and look dangerous	12/4/2023 12:35 PM
11	Basketball Courts. Outdoor pools should be added to!	12/2/2023 9:26 PM
12	Covered basketball courts. Disc Golf courses	12/1/2023 11:27 PM
13	Indoor pickleball courts	12/1/2023 10:48 PM
14	More Pickleball courts on North side of Holland	12/1/2023 9:23 PM
15	restrooms needed at some of the parks	12/1/2023 4:49 PM
16	Soccer fields	12/1/2023 9:59 AM
17	availability of restrooms w/posted open & close times	12/1/2023 9:28 AM
18	I believe a lot more activities should be planned in Centennial Park. It is extremely under used.	12/1/2023 8:23 AM
19	I'd love a relaxation garden space and more accessible fenced dog parks	12/1/2023 8:20 AM
20	There should be more public waterfront space (beyond Kollen Park - using the old BPW space would be wonderful - even better than the proposed space by boatwerks)	11/30/2023 10:18 PM
21	The popularity of soccer is exploding in our community. There is a need for additional soccer fields. The closest multi field complex is Zeeland and northside of Holland. A multi field complex is needed in order to accomodate kids who live in the city.	11/30/2023 3:20 PM
22	A local baseball diamond, cycling path, boat and summer and winter fishing	11/30/2023 3:13 PM
23	Turf soccer field at Maplewood or Matt Urban. More seating	11/30/2023 1:15 PM
24	Tulip City United Stadium	11/30/2023 1:13 PM
25	It would be great to have a multi field soccer complex. We have a lot of soccer interest in the area and a lot of families travel to either Helder park or Quincy park and it would be great to keep that traffic here in the city, plus traveling team coming to play would contribute to downtown restaurants and businesses and families would be closer to home.	11/30/2023 12:48 PM
26	Soccer Complex	11/30/2023 12:34 PM
27	We need a 8-10 soccer field complex to support our growing soccer community	11/30/2023 12:05 PM
28	Not sure as to what activities are available	11/29/2023 10:39 AM
29	more bathrooms	11/27/2023 9:17 PM
30	Soccer fields at the parks near us	11/24/2023 3:31 PM
31	Real bathrooms with changing tables at Window on the Waterfront	11/24/2023 10:41 AM
32	Washington School Green needs some clean up and a new tree planted as replacement for tree lost. We also badly need flashing lights to cross Van Raalte at Kollen Park. Cars rarely slow down or stop to allow pedestrians to cross. My husband and I walk here each day. We need something like Evergreen Commons and Hope College have to allow crossings, and there should be warning flashing lights on 8th Street before the curve so drivers slow down before turning onto Van Raalte at Kollen Park. This is a big safety issue, a very difficult intersection to cross for people with disabilities or families with children.	11/23/2023 10:11 AM
33	more accessible features to all parks, benches at Moran park	11/23/2023 7:33 AM
34	need more pickleball courts. The leagues and lessons use the courts that are there so more are needed for others	11/22/2023 9:25 PM
35	PICKLEBALL COURTS	11/22/2023 8:32 AM
36	Community building for gatherings, community clubs, etc would be nice. You know...like a civic center, but one that local groups could afford to use. A community space.	11/21/2023 10:03 PM

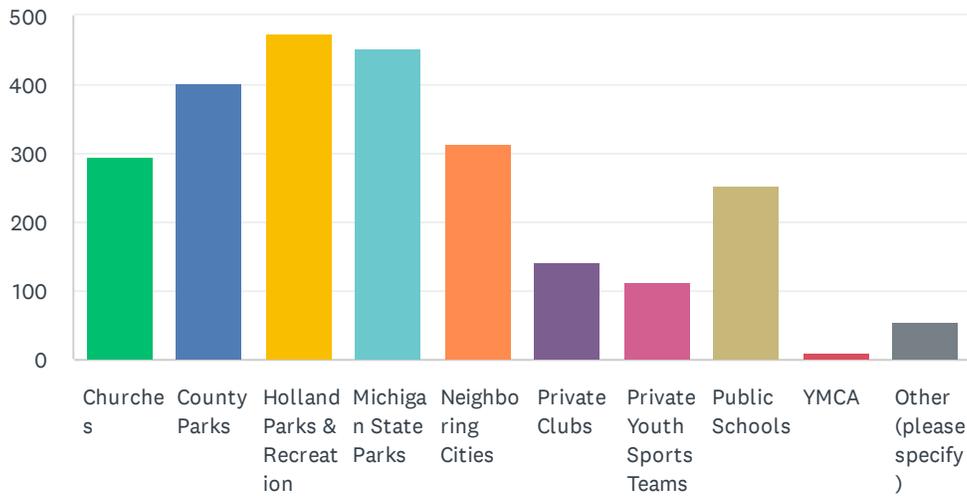

37	Lakeview School Park needs to be renovated.	11/19/2023 10:26 PM
38	The bathrooms could be improved.	11/19/2023 6:59 PM
39	Family friendly and SAFE	11/19/2023 2:35 PM
40	Need more indoor spaces for kids to practice during the off seasons	11/17/2023 9:53 AM
41	Prospect park could use updates to playground equipment	11/17/2023 9:31 AM
42	I am saddened by the removal of the tennis hitting wall separate from tennis courts. I would love more tennis/pickleball courts in the city. We also could use more indoor sports facilities.	11/17/2023 7:32 AM
43	Holland Heights park desperately needs updates	11/17/2023 7:00 AM
44	We no longer go to Moran because the updated equipment isn't safe for little kids.	11/16/2023 3:50 PM
45	An indoor winter walking facility, re-open the Civic Center to the public	11/16/2023 10:27 AM
46	More restrooms (not port-a-johns) at parks would be nice!	11/16/2023 10:02 AM
47	Having twin toddlers, I would love a park that was fenced in often I can not safely go to a park by myself as do not feel safe one won't run off while I'm with the other	11/16/2023 9:39 AM
48	Adaptive equipment and access to handicap bathrooms	11/16/2023 8:51 AM
49	Indoor Pickleball options	11/16/2023 8:49 AM
50	better, larger, updated playgrounds for children to attract younger families to the area	11/16/2023 8:49 AM
51	Splash pad - in Moran or window on waterfront or Kollen please	11/16/2023 7:31 AM
52	Rosa Parks in particular does not have enough infrastructure, shade or seating.	11/16/2023 7:19 AM
53	the updates to Moran Park are great, my ASD child can go and enjoy the equipment without being told "that's for little kids" and being harassed by other adults. More updates for inclusivity would be great	11/16/2023 7:19 AM
54	Splash pad!	11/16/2023 6:19 AM
55	Splaa pad at Rosa parks green	11/16/2023 4:30 AM
56	Indoor bathroom access year round or at least portalets year round	11/15/2023 11:34 PM
57	Wish more parks would offer pickleball courts and picnic tables	11/15/2023 11:09 PM
58	Area to Roller skate outside	11/15/2023 9:18 PM
59	More pickleball courts - some that are indoors	11/15/2023 7:28 PM
60	more pickleball courts	11/15/2023 7:26 PM
61	Pickleball that's not tied up by a private business	11/15/2023 5:57 PM
62	We're disappointed that it seems the renovations at Moran Park got rid of the basketball courts that were used by so many.	11/15/2023 5:44 PM
63	Recreation Center	11/15/2023 4:52 PM
64	Pickleball courts (with wind screens and court divider fences) 😊	11/15/2023 4:46 PM
65	Indoor pickleball courts	11/15/2023 4:29 PM
66	Playground equipment in some areas can use upgrades. Sometimes traffic getting too and from some of the sports fields is challenging due to high traffic.	11/15/2023 4:14 PM
67	We could use more pickleball courts in Holland.	11/15/2023 3:44 PM
68	Bathrooms that are open year round	11/15/2023 3:37 PM
69	more pickelball	11/15/2023 3:12 PM
70	Dog park	11/15/2023 2:57 PM
71	Indoor tennis that's affordable, not hope college related	11/15/2023 2:55 PM

72	Yes, but the holland heights park has a lot of rust sports that would be nice to be addressed	11/15/2023 2:44 PM
73	Parking at Maplewood is not very handicap accessible. Everything is a long walk.	11/15/2023 2:38 PM
74	There are not adequate fields to accommodate all of the children playing Little League. Younger children and girls teams are constantly relegated to poorly maintained fields that lack restroom access	11/15/2023 2:20 PM
75	More parks & public use spaces on the lakeshore! Holland has too large and diverse of a community for Kollen Park to be basically the only space on the lakeshore that isn't owned by a company or the very wealthy!	11/15/2023 2:04 PM
76	Kollen park needs significant investment in boardwalk and railings	11/15/2023 1:57 PM
77	We need more pickleball courts please	11/15/2023 1:54 PM
78	Lakeview School Park is the closest park to us and doesn't offer much. A playground area would be great.	11/15/2023 1:50 PM
79	We live right across the street from Maplewood park off of 40th. We love that the structure is small for the kids but it could use some updating.	11/15/2023 1:41 PM
80	Better splash pad or covered summer play	11/15/2023 1:24 PM
81	Bring back the tennis wall for solo tennis play.	11/15/2023 1:20 PM
82	Bike paths, more parks, clean lake mac	11/15/2023 1:18 PM
83	playground equipment updated and picnic areas improved	11/15/2023 1:18 PM
84	Yes, BUT many families have commented that we'd love some benches at the new Moran playground	11/15/2023 1:17 PM
85	Baseball field @ holland heights is in bad shape - everything else is great	11/15/2023 1:11 PM
86	Is there a better way to rent a gymnasium facility for recreational purposes! I have a program that wold love to use the rec center for a fundraiser	11/15/2023 1:04 PM
87	Restroom access	11/15/2023 1:03 PM
88	Need more pickleball courts both indoor and outdoor	11/15/2023 1:03 PM
89	A rec center with a larger fitness facility than the HAC	11/15/2023 12:59 PM
90	A creative space for growing in the arts for kids and adults	11/15/2023 12:58 PM
91	Playground at Rosa Park has no slide and is not really safe for younger kids	11/15/2023 12:55 PM
92	More football fields/soccer fields, upgraded playground at parks like Smallenburg would be great	11/15/2023 12:54 PM
93	Updated playgrounds	11/15/2023 12:51 PM
94	Downtown dog park	11/15/2023 12:49 PM
95	More PICKLEBALL courts with lights and wind blocks	11/15/2023 12:47 PM
96	Actual Baseball fields Intermediate/Jr.	11/15/2023 12:43 PM
97	We need a really nice full size soccer field for the community	11/15/2023 12:43 PM
98	More pickleball	11/15/2023 12:33 PM
99	More and better maintained Pickleball courts	11/15/2023 12:31 PM
100	Can't wait for the ice rink - that will make everything perfect for our needs	11/15/2023 12:26 PM
101	Generally, yes! But it would be so cool if there was a water splash pad somewhere on the south side, maybe Moran Park. As far as I know, only Zeeland has one.	11/15/2023 12:15 PM
102	indoor pickleball courts	11/15/2023 12:10 PM
103	Dog Park	11/15/2023 12:10 PM

104	Please add the tennis backboard to Moran Park again! I was sorry to see it taken out.	11/15/2023 12:03 PM
105	Better play equipment at Matt Urbin. The slide is dangerous with no sides on it. Kids fall off as they are going down	11/15/2023 11:59 AM
106	More public overnight boat docks	11/15/2023 5:31 AM
107	Easily walkable soccer/sports field; easily walkable dog park	11/15/2023 3:09 AM
108	More baby swings	11/14/2023 7:45 PM
109	A park for smaller children. NOT as high up open places for them to fall	11/14/2023 7:30 PM
110	Would love additional 11v11 soccer fields. And have other fields with goals have the nets on for more year round play.	11/14/2023 6:58 PM
111	the East end of Washington School green adjacent to playgown has never been properly repaired following the 11th st construction and remain a hazard to children and unsightly for the neighborhood.	11/14/2023 6:55 PM
112	Need more options of safe play spaces for younger children (1-5) that exist next to spaces for older children	11/14/2023 6:31 PM
113	Not enough nature, trails, etc. Just crowded areas.	11/14/2023 5:28 PM
114	An increased focus on water activities near Window on the Waterfront, perhaps a water cleanup effort if possible. An amphitheater for summer movie watching and events, and Bouws pool improvements (sure, we have the aquatic center, but as city residents we pay taxes towards it and then also have to pay a high membership fee)	11/14/2023 4:37 PM

Q11 Check all the organizations that you or members of your household have used for indoor or outdoor recreation activities during the last 12 months.

15	Tulip City United Stadium	11/30/2023 1:13 PM
16	Futsal Courts	11/30/2023 12:05 PM
17	Restrooms	11/20/2023 1:17 PM
18	Outdoor eating/picnic areas w/seating and tables	11/19/2023 1:47 PM
19	Roller hockey	11/18/2023 4:11 PM
20	Indoor racquet sports	11/18/2023 9:17 AM
21	Another amphitheatre with access to proper electricity	11/16/2023 12:54 PM
22	Dog areas	11/16/2023 11:00 AM
23	Low income families cannot afford swimming at the Aquatic Center	11/16/2023 10:27 AM
24	Roller hockey	11/16/2023 10:25 AM
25	adaptive equipment	11/16/2023 8:51 AM
26	Indoor play area: eg bike in winter, playground, active indoor toys for littles open evenings and weekends	11/16/2023 7:31 AM
27	Indoor basketball courts	11/15/2023 10:27 PM
28	Outside Roller Rink	11/15/2023 9:18 PM
29	Dog park	11/15/2023 9:17 PM
30	Opportunities for robotics/stem	11/15/2023 6:50 PM
31	Miniature Golf	11/15/2023 5:04 PM
32	Nothing. There is plenty to do already.	11/15/2023 4:58 PM
33	more access to waterfront	11/15/2023 4:39 PM
34	Hiking trails	11/15/2023 3:58 PM
35	Off leash dog areas	11/15/2023 3:46 PM
36	Beaches	11/15/2023 3:06 PM
37	Nothing	11/15/2023 2:59 PM
38	Dog park	11/15/2023 2:57 PM
39	Dog parks	11/15/2023 2:28 PM
40	pickleball, pickleball, pickleball - not just for me and my family, but it's just booming and	11/15/2023 2:15 PM

is such a community builder!

41	Indoor pickleball	11/15/2023 2:12 PM
42	Shaded picnic areas	11/15/2023 1:08 PM
43	Bocce Courts	11/15/2023 1:03 PM
44	Tree canopy	11/15/2023 1:02 PM
45	Dog parks or areas	11/15/2023 1:01 PM
46	Beach access! Outdoor roller skating rink.	11/15/2023 12:54 PM
47	Dog Park downtown, more native plant parks	11/15/2023 12:49 PM
48	Benches in good repair throughout parks with walking trails	11/15/2023 12:46 PM
49	Shade areas	11/15/2023 12:33 PM
50	Bathroom access	11/15/2023 12:31 PM
51	A naturescape playground would be lovely! Like the one that was installed at Longfellow, when HLA had to be there for one year.	11/15/2023 12:15 PM
52	Dog Park	11/15/2023 12:10 PM
53	Dog park on south side west of 31 or off leash dog area	11/15/2023 5:31 AM
54	Everything is crowded with tourists/visitors.	11/14/2023 5:28 PM
55	Marina for my friends that come from grand haven and saugatuck via boat to dock for a few hours and visit holland with us.	11/14/2023 5:20 PM
56	Cornhole	11/14/2023 4:43 PM
57	Curling	11/14/2023 4:30 PM

Q15 The City is considering ways to implement sustainable/green initiatives in the Parks. How important do you consider this issue?

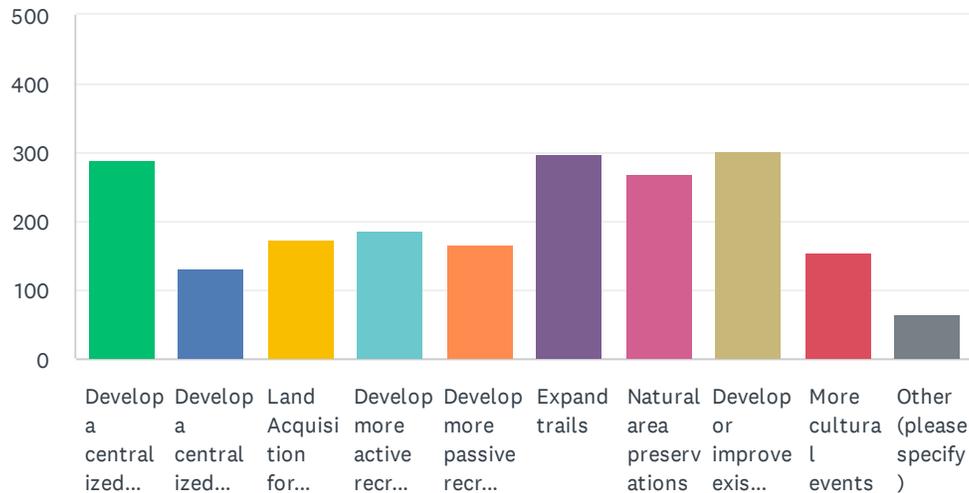

Answered: 589 Skipped: 8

ANSWER CHOICES	RESPONSES	
Very Important	47.03%	277
Important	39.39%	232
Not Important	13.58%	80
TOTAL		589

Q16 Of the following, which initiatives should the City of Holland prioritize for future implementation? (Select as many as you would like)

Answered: 581 Skipped: 16

ANSWER CHOICES	RESPONSES
Develop a centralized indoor recreation facility	49.91% 290
Develop a centralized outdoor recreation facility	22.55% 131
Land Acquisition for future development	29.78% 173
Develop more active recreation (playgrounds, sports fields, etc.)	32.36% 188
Develop more passive recreation (chess tables, benches, water features, etc.)	28.74% 167
Expand trails	51.12% 297
Natural area preservations	46.13% 268
Develop or improve existing park facilities	51.98% 302
More cultural events	26.51% 154
Other (please specify)	11.53% 67
Total Respondents: 581	

#	OTHER (PLEASE SPECIFY)	DATE
1	Food trucks!	12/8/2023 11:39 AM
2	Indoor Pickleball (perhaps a domed facility)	12/8/2023 9:28 AM
3	Year-round access/opportunities. There is so much for the summer and so little for the long winter	12/6/2023 8:00 AM
4	More community run events. Holland is home to many artists, musicians, food and beverage crafters, and makers of all kinds. Given the leadership opportunity, I believe more engaging events can be held under the City's direction.	12/5/2023 7:12 PM
5	I love and attend the program is put on by outdoor discovery center but they can be hard to get	12/5/2023 1:10 PM

	into due to short waitlist. Natural events and programs such as that would be a huge benefit to Holland public.	
6	More parks activation! Smallish size events like music in neighborhood parks that aren't meant to draw the whole city (though everyone would be welcome!) but primarily give neighbors an excuse to bump into each other	12/4/2023 9:58 PM
7	all fields should have access to a building bathroom	12/4/2023 7:44 PM
8	Would love a basketball hoop in Water Tower Park	12/3/2023 5:29 PM
9	Art, dance and cooking classes expansions.	12/2/2023 9:26 PM
10	More green for native species, less development- stop the bocks hotel condo ice cream parlor fiasco	12/2/2023 11:22 AM
11	Amazing parks already. Would love to see another park with pickleball courts. Can't wait for the ice skating to come in! It would be fun to have a little sledding hill somewhere besides VanRaalte. Can we make a sledding hill by the ice rink? A better splash pad in this area would also be great along with public restrooms by window in the waterfront. Kayak rentals e down there would be cool too!	12/1/2023 10:48 PM
12	make the parks, beaches more eco-friendly with less toxic exposure by spraying harmful chemicals on park/beaches grounds	12/1/2023 4:00 PM
13	The festivals are great. We can't wait for the ice skating. Having an affordable gym with more classes. The aquatic center should be expanded so there's more classes during the day and it's \$20 too much a month for the average family. Maybe open a gym in the holland heights area. You how work places and colleges have gyms, it would be nice to have that here because physical fitness helps people and it gets hard to do that in the cold months. Not everyone has more than an hour or 2 to go workout a few times a week.	12/1/2023 10:10 AM
14	Removing unused grassy space (which requires watering, herbicides, mowing and other regular maintenance) and replacing it with native, low-maintenance plants should be a priority for the sake of saving money and improving both aesthetics and environmental impact	12/1/2023 9:49 AM
15	Unrelated but important to me. Needed, activities for visitors including some type of identifying signage at the Civic Center including announcements of upcoming events.	12/1/2023 8:23 AM
16	Develop diverse ethnic food truck area at the green space between boatwerks and verplank or kollen park	12/1/2023 6:32 AM
17	Smaller neighborhood pocket parks	12/1/2023 12:37 AM
18	public committees of residents who work with city-council on envisioning possibilities and how to realize these	11/30/2023 10:18 PM
19	Tulip City United Stadium	11/30/2023 1:13 PM
20	Soccer complex	11/30/2023 12:34 PM
21	We need a dedicated, singular flat field complex with turf and grass.	11/30/2023 12:05 PM
22	Replace tree at Washington Green	11/23/2023 4:49 PM
23	Look at the city of Charlevoix and their docks at the end of their streets that have slips for people who don't live on the lake.	11/19/2023 10:26 PM
24	Splash pad	11/19/2023 10:10 PM
25	Green space and picnic tables/benches	11/19/2023 2:35 PM
26	No new parks. Prioritize upping maintenance at existing parks	11/17/2023 5:02 PM
27	Bring back normal swings and little kid appropriate equipment to Moran	11/16/2023 3:50 PM
28	Need more access points to Lake Macatawa	11/16/2023 10:27 AM
29	Less condos, more parks! (City dock) please and thank you	11/16/2023 10:25 AM
30	Pickleball	11/16/2023 8:49 AM

31	Utilize the Civic Center for citizen recreation.	11/16/2023 7:19 AM
32	More bathrooms and clean/stocked/maintained all year round	11/16/2023 7:19 AM
33	Splashpad	11/16/2023 6:19 AM
34	Prioritizing Rosa Parks Green, great place for a splash pad so that people of all socioeconomic statuses have access to it	11/16/2023 4:30 AM
35	MorePublic pickleball courts not controlled by Jenna	11/15/2023 9:19 PM
36	Build the rink!!!!	11/15/2023 7:18 PM
37	STEAM integration for kids	11/15/2023 6:50 PM
38	Just keep them as is and maintenance is all we need.	11/15/2023 4:58 PM
39	NO new Facilities, Either sell properties not being utilized and/or just maintain and preserve the existing facilities. We do not need to put more of a tax burden on Property owners for recreational places hardly anyone uses. Holland Twp does not need to spend the millions needed for its new Rec Facility. Property Taxes are already out of site in the Holland Area. Our small town is no longer small and the good wealthy individuals will start to move out and the city will continue its down turn bring even more low income, crime and just bad people.	11/15/2023 4:53 PM
40	Repair and repaint Kollen Park railings	11/15/2023 4:37 PM
41	Art park. With 8x8 walls for changing murals	11/15/2023 4:30 PM
42	European and larger cities have play scapes every other block for families + cultural/workout pop ups throughout parks	11/15/2023 3:41 PM
43	Indoor walking, not short loops; indoor multipurpose courts...winters are quite long	11/15/2023 3:08 PM
44	Indoor soccer, futsal, indoor basketball	11/15/2023 2:30 PM
45	Huge climbing walls would be awesome!	11/15/2023 2:28 PM
46	Cross country running trails	11/15/2023 2:27 PM
47	Fix up Bouw's pool- add shade!! And the locker rooms are terrible	11/15/2023 2:26 PM
48	splash pad/sledding and/or skiing hill	11/15/2023 1:57 PM
49	Consider a mountain biking loop at Van Raalte Farm	11/15/2023 1:54 PM
50	You need a centralized soccer facility. Using the outfields at Matt Urban is not a good option. You also need to have various sized fields for different age groups. The facility at Jefferson is sub par.	11/15/2023 1:47 PM
51	Splash pad	11/15/2023 1:33 PM
52	Activities for kids like ice skating, splash pad etc. we have plenty disc golf and pickle ball courts	11/15/2023 1:27 PM
53	more Parking at many of the sports fields	11/15/2023 1:16 PM
54	The north side boardwalk is awesome. It is sad that the southside cannot enjoy the beach and pier like the northside. I go to the northside for their board walk all the time. Our boardwalk is nice, but its next to a factory and just isnt the same on the southside.	11/15/2023 1:11 PM
55	Offer way more options for adult programming that isn't sports. I don't want to play sports, but I do want connection and community!	11/15/2023 12:58 PM
56	Native plant areas	11/15/2023 12:49 PM
57	Splash pads	11/15/2023 12:46 PM
58	if the land acquisition initiate will help keep green space and trails etc for use of the public, then I support that project.	11/15/2023 12:15 PM
59	Indoor pickleball courts that are real hard courts, not wood floors.	11/15/2023 12:10 PM
60	Water access without high rails	11/15/2023 12:09 PM

61	Monitor the homelessness in Centennial Park. It can be intimidating for people	11/15/2023 11:19 AM
62	Improve easy walking access; walkable off-leash dog park	11/15/2023 3:09 AM
63	More exercise courses	11/14/2023 7:43 PM
64	Splash pad area similar to Zeelands would be amazing for Holland	11/14/2023 5:45 PM
65	Have homeless leave centennial, safety	11/14/2023 5:28 PM
66	Transient marina like south haven has	11/14/2023 5:20 PM
67	outdoor facility = ice rink!	11/14/2023 4:41 PM

Q17 Thank you for your participation. If you have additional comments or suggestions please use the space below.

#	RESPONSES	DATE
1	Overall we are pretty happy with the number of parks in Holland. We visit them very often. We would like to see more playgrounds appropriate for very young children and people with disabilities as the playgrounds for children with disabilities are great for everyone. As a family that does not struggle financially, the distance between parks or public transportation to them is not an issue for us. Some parks do badly need updates like better bathroom facilities and new playground equipment at Kollen Park, bathrooms at Prospect Park which is a very busy playground with no facilities, and better facilities at parks with trails like Riley trails.	12/9/2023 11:05 AM
2	Organizing meetups for hiking or cross country would be cool. Also a disc golf league.	12/8/2023 1:20 PM
3	More Lake Mac access please! :]	12/8/2023 11:39 AM
4	Thanks for all you do.	12/8/2023 11:14 AM
5	It would be VERY helpful to have better lighting for the wreathmaking workshop if you offer it again next year.	12/8/2023 10:44 AM
6	We don't need more place for rich people to eat ice cream in the summer. We need more restaurants by the water (we only have 1!) - and affordable restaurants, where regular people can go more than on one special event. Make the space for the land swap something that many people can afford and can be enjoyed year-round (a couple of small restaurants/coffee shops and a fire place outside for the fall and spring and some clear shelter to block the wind in the fall/spring	12/6/2023 8:00 AM
7	outdoor soccer complex is a must	12/5/2023 8:53 PM
8	Thank you!!	12/5/2023 1:10 PM
9	We need more quality public soccer fields on the south side of Holland.	12/5/2023 10:33 AM
10	*It seems like the wood chips under playground equipment are consistently thicker and better-maintained than they used to be. Much appreciated! *It's been a few years, but adding the portapotties at Prospect Park and Rosa Parks Green was such a win. There were some dicey playground moments with preschoolers before they went in! On that note, I'd like to see bathrooms open later in the year- people still need to go when it's cold! *The biggest thing missing in our family's experience of the parks is a lack of bike racks. We like to ride to parks whenever we can, and are always locking to trees and random poles. All the parks need them, but Centennial Park with all the summer events could especially use that accommodation. Might be a good place for a bike corral located in a street space, since space is at a premium down there and bikes are more space-efficient. *Thank you for all your good work!	12/4/2023 9:58 PM
11	Prospect Park needs an update. Many Black River Families utilize it daily after school. It would be nice if there were bathrooms, a drinking fountain, a way to connect the playground with natural play in the woods. It would be nice to get more benches as well.	12/4/2023 6:02 PM
12	Please leave Prospect park as is accept for more signage about leashes needed for dogs. Maybe more maintenance on the playground and tree maintenance over the sidewalk eliminating the mulberry mess. It is a quiet piece of nature.	12/4/2023 2:32 PM
13	Better equipment at Rosa Parks for the little kids, LESS DOG POOP!, splash pad and electricity. More concerts in the park. Community Gardens, work out stations, winter warming stations. Prospect Park UNDERUTILIZED, more walking trails throughout with shade gardens or a wooden garden. Little pocket areas for meditation, weddings. Events that people can come to. Liked the tree climbing event. So many trees but they don't have any kind of identification. I am sure the schools would like that for earth science. Partner with library to have book clubs or walkable kid books in park. I don't know what you call it but in	12/4/2023 2:20 PM

Muskegon there were pages of a book printed on the trails and kids could read the book with their family.

14	I would love to see more native plants used in park landscaping, or open spaces with native plants like at Window on the Waterfront I love the idea of connecting parks with walking/biking trails!	12/4/2023 8:03 AM
15	Please repair damage done to Washington Green from road construction.	12/3/2023 9:49 PM
16	no	12/3/2023 9:18 PM
17	Would love a basketball hoop in WaterTower Park. Just one where we could play pig or horse. Doesn't have to be a whole court.	12/3/2023 5:29 PM
18	1. Please improve and maintain all the Soccer fields. 2. Please setup the Outdoor Ice Skating Rink (which the city owns) and was once setup and available at Window on the Waterfront. Both of these should be a priority for the city as I speak for a lot of neighbors and people I know.	12/2/2023 1:30 PM
19	The development that is going to happen on the waterfront will be an utter fiasco - no environmental oversight, no traffic oversight, nothing. Congestion will be ridiculous and it will be a blight on the water. It will flood with no protections, for what? Just so more construction can be done? What about turning existing empty buildings into affordable homes who need them? THOSE PEOPLE NEED HOMES. We do not need more expensive crap for people to have 2nd or 3rd homes that will sit empty.	12/2/2023 11:22 AM
20	Parks should be open all year round and designed for all seasons....	12/1/2023 11:27 PM
21	The library should be fee based. So many pay taxes and never use it.	12/1/2023 10:48 PM
22	Field 4 at Matt Urban park faces the sunset in the west when batting and it is TERRIBLE. Please put up some type of sun block or rotate the field.	12/1/2023 9:23 PM
23	Property on W. 8th street on Lake Macatawa near Cappon House would be nice for picnics, benches, walking, fishing, city events.	12/1/2023 9:01 PM
24	We must make more improvements in making Holland a more eco-friendly place to live and planting more native plants, flowers, trees, etc. for this area.	12/1/2023 4:00 PM
25	Just a thought, disconnecting power in the centennial park gazebo to help with homeless population there. This summer was so sad with all the new homeless people we were noticing. The regulars keep to themselves but there were a lot of new and rude people sleeping and asking for money in centennial park.	12/1/2023 2:22 PM
26	Close down 8th street. Make Holland walkable like Boulder	12/1/2023 11:47 AM
27	We would love to see paddle platform tennis in Holland!!	12/1/2023 10:11 AM
28	You guys need a community gym like what's at the aquatic center over by Holland Heights. Just a gym with some classes. Except for Planet fitness none of the gyms are affordable for the average person. Even CA has cheaper gyms. There's no YMCA here and the city could do their own.	12/1/2023 10:10 AM
29	Thank you for helping to create and maintain our incredible variety of parks and recreation areas	12/1/2023 9:28 AM
30	Holland is doing great. Green space is important and appreciate trying to improve our city all the time.	12/1/2023 9:08 AM
31	Our parks are numerous, beautiful and under used in my opinion. More activities are needed to bring the community together. Let's use some imagination.	12/1/2023 8:23 AM
32	I love the City of Holland and its dedication to green spaces, planting trees, and protecting the environment. It makes living in the city so wonderful. Thank you!	12/1/2023 8:20 AM
33	I am glad you are doing this. I only wish you would publicize this survey for people who don't use online surveys	12/1/2023 6:32 AM
34	Addition of Washington School Green is wonderful. Loss of tree along Maple at west end of park is unfortunate.	12/1/2023 12:37 AM

35	I only happened to be aware of this survey because somebody forwarded it to me. If you want a broader (more representative) sampling of the city's residents, there needs to be more effort put into making residents aware of the survey -- maybe send out a flyer about this?	11/30/2023 10:18 PM
36	Please maintain the Washington School park - the landscaping, replace the tree and get rid of the junk left there from construction	11/30/2023 6:47 PM
37	Given the popularity and passion of both Latino and Dutch communities for soccer, it is surprising that there isn't a city soccer complex. The Soccer Stop seems to be filling that need somewhat. A lot of space is used by baseball/softball at Maplewood and Matt Urban, but soccer seems to be much more popular. I've seen lots of youth soccer going on the grass at Jefferson Elementary. Feels like Maplewood and/or Matt Urban should replace a couple baseball diamonds with youth soccer fields, if a soccer complex isn't possible. Baseball/softball fields also aren't flexible use, whereas a field for soccer is just a rectangular patch of grass that could be used for rugby, lacrosse, football, or some festival. There's even a minor league soccer team in Holland, but they play at the HHS field - not much room for growth within that.	11/30/2023 1:15 PM
38	Buy into Tulip City United. Soccer is very important here, make it accessible and push it. Having a competitive semi-pro soccer team can only breed civic pride and can be a great way for cross-cultural engagement within our city.	11/30/2023 1:13 PM
39	Improving existing and maintaining nicely and completely redoing Lakeview area would be nice.	11/30/2023 12:57 PM
40	South Holland needs a multifielld soccer complex.	11/30/2023 12:34 PM
41	I'm very disappointed with the community outreach regarding this survey. I also don't think the questions were necessarily clear or inclusive. In all seriousness, how can the survey not include HAC or reference it. Likewise the opportunity to partner with other townships and/or create a recreation authority in the region. I'm disappointed about the imagination.	11/30/2023 12:05 PM
42	Please clean up and maintain Washington School Park area and replace the tree that was removed. Thank you for this very important survey!	11/30/2023 10:01 AM
43	We used to love going to centennial park as a family. Although the parks department does a wonderful job with the landscaping we don't feel safe. I don't let my kids run around there because we have found needles, alcohol containers smashed on the ground and in the rocks, and have smelled pot being smoked. I don't care if the homeless population hangs out there but they are not respectful of the park rules and why would they when they are not enforced. We can't say enough good about window on the waterfront! Overall we love Holland and love our parks department! Thank you for making our city such a beautiful place to live year round!	11/26/2023 12:38 AM
44	Please expand flag football for grades past 4th!	11/24/2023 3:31 PM
45	There are very few indoor playgrounds in Holland that are not affiliated with churches. As a parent of a young child, we go to a city outdoor playground every day, and will miss this opportunity for play, socialization, and chance to get out of the house in winter months. I would love to see some indoor play structure added to the Holland Parks/Rec.	11/24/2023 10:41 AM
46	Need to improve crossing at Kollen Park at 10th st. Flashing warning like on 9th for college and 7th for parking garage. Or at least better / more signage reminding drivers to stop for pedestrians in crosswalk. Should also improve crosswalk signage at 12th and Van Raalte.	11/23/2023 4:49 PM
47	There are no bike racks at Kollen Park. It would be nice to have some so we have a place to park bikes when we ride there	11/23/2023 1:13 PM
48	Please note: the word "cultural" is misspelled on question number 12. Thank you for this survey and for considering residents' requests.	11/23/2023 10:11 AM
49	I appreciate our town and the focus on these parks. Thank you so much for your hard work!	11/22/2023 10:51 PM
50	I would like to see the Moran Park courts returned to volunteer run leagues for low costs/ free pickleball use.	11/22/2023 9:25 PM
51	Holland Heights Park: I'd like to see a baby swing, additional pickleball courts, new playground equipment, a side walk along the south road and some parking. It would also be nice to see some outdoor workout equipment.	11/22/2023 10:37 AM

52	Would love to see Holland bring resources and activities to our community that you see in other beach communities. More access to the waterfront for recreation, beach picnic areas, kayak and canoeing access, ice skating, cross country skiing to get more year round use.	11/21/2023 10:09 AM
53	We live by Lakeview School Park. Several years ago I sat in a meeting with the city and a developer about plans to improve the park. It was at least 5 years ago. They said it was a 5 year plan. I have heard nothing about plans recently. The park is really terrible and offers little to our neighborhood. This is one park severely in need of updating!	11/20/2023 8:45 PM
54	Wizard of oz seems out of place in centennial park since the rest of it is at the library.	11/20/2023 1:35 PM
55	Move the Wizard of Oz book to next to the library. More natural areas and seating in parks. Tables and chairs for adults to sit at that are away from the children's play areas.	11/20/2023 11:43 AM
56	Keep our green space downtown!!	11/19/2023 2:35 PM
57	Please plant some new trees in Centennial Park. Several have been cut down without replacement.	11/19/2023 12:02 PM
58	More police presence in the parks, especially Centennial. It feels unsafe for moms and kids when grown men are loitering and sleeping in the parks during the day.	11/19/2023 11:35 AM
59	Please clean up the Washington School Green space. There is still construction materials being found and the tree that was taken down has not been replaced. The boardwalk at Kollen Park needs to be painted, it looks run down. Additionally we love Centennial Park and walk through that park 3-5 times a week and do not appreciate the loitering that occurs as people charge their phones at the electrical box. Or having to walk through groups of people who have gathered and are often smoking marijuana.	11/19/2023 9:38 AM
60	I would be interested in the rec department adding floor hockey leagues (both youth and adult).	11/18/2023 4:11 PM
61	Would love to see a splash pad in Holland!!!	11/18/2023 12:49 PM
62	We love Moran Park, but the project process has taken forever and we have not been able to use it like we hoped to this fall.	11/17/2023 11:50 AM
63	Would like to see a priority placed on improving parks, adding amenities, and ensuring safe pedestrian/bicycling access to parks located closest to lower income neighborhoods.	11/17/2023 11:32 AM
64	My children are adults but we used many of the recreation facilities as they were growing up and they were excellent. I also can't say enough good about parks and recreation in general. I am grateful to live in this beautiful city every day	11/17/2023 7:23 AM
65	We love our parks! Thank you to the staff at P&R for all your hard work!!	11/16/2023 9:06 PM
66	Would LOVE to see some dugout improvements at Maplewood baseball and softball fields. A cover on top of those structures would be outstanding for some shade for the players.	11/16/2023 2:58 PM
67	Na	11/16/2023 2:38 PM
68	Love Kollen Park! Would like to see doggie bag dispensary there and better trash can availability through out park.	11/16/2023 11:00 AM
69	Repair and maintain landscaping at Washington school green	11/16/2023 10:55 AM
70	Please don't miss the opportunity to add public access to a great resource we have in Lake Macatawa by approving condominium development on yet another piece of waterfront.	11/16/2023 10:25 AM
71	While we are overall satisfied with the offerings of activities - I do have one possibility for consideration. I have spoken with many other parents with kids in the 9-12/13 age range about this as well. We would love to see skills-based sports offerings for these "older" kids. So many kids in this age missed trying out the beginning level of sports either due to Covid or other reasons. Or they want to switch sports and just try something new. But it feels too intimidating to join a team of kids their age without having done the other levels. Would you consider perhaps a skills-focused level in each sport for this age range? OR maybe a multi-sport basic skills summer camp for these older kids, not just younger kids? Also, it could just be lack of understanding on the parents part. If you feel like a beginner could jump in at any level of the offerings - I would love to hear that communicated explicitly so that we can gauge what's a good fit for our kids. Thank you so much!! We love everything we've tried and are so thankful for the amazing parks and rec opportunities here!	11/16/2023 9:51 AM

72	It would helpful to know at time of registration the dates and times of practices. Also ability to do two at one for instance soccer and football, several teammate seemed to miss football games because they had soccer games, did not seem fair to the remaining football players	11/16/2023 9:39 AM
73	would love to see our waterfront areas utilized more for the parks/recreation. Any opportunities to add access to our waterways for the public would be valuable. currently travel to other cities to use splash pad areas and would love to see us have something like this in our area.	11/16/2023 9:25 AM
74	Just want to say we absolutely LOVE Van Raalte Farm - everything about it. The addition of the dog park and the fact it was really, really well done - the bathhouse too. The trails are our favorite for just getting out in the woods. It's such an incredible place to have right here within the city and I'm so glad it is loved by so many other people too. Overall the city has amazing parks - it is one of the things I brag about to people about living here. Our parks are fantastic - whether you want DeGraaf and a little nature education, or if you want a playground or if you're into sports. It's all right here. I would say the one thing missing that would probably be appreciated by folks here is the workout stations along popular walking/running routes or in a couple parks - I can't get a visual picture of how it could look here, where, etc. but I've seen them more and more when we travel and visit and other places and those stations are pretty cool. People seem to like them. Thank you for our great Parks & Rec. Truly. We don't participate in rec stuff as much now that my kiddo is older, but we did a TON when he was in elementary school. They're good programs. THANKS!	11/16/2023 8:18 AM
75	Question 12 is confusing how it is worded! Need better connection of Window on the Waterfront to downtown, with better parking, facilities, and events.	11/16/2023 8:01 AM
76	Take better care of the Holland Heights School park so the bark doesn't all wash down to the school basketball courts when it rains. This has been an issue for years and nothing is done to fix the drainage up there.	11/16/2023 7:51 AM
77	N/A	11/16/2023 7:04 AM
78	Thank you for all you do, Holland Recreation.	11/16/2023 6:41 AM
79	City of Holland parks are incredible, and I'm so grateful for that. I'd like to see much more money, resources being used for Rosa Parks Green, a place that really could help the most socioeconomic diverse area in Holland to really get to know each other as neighbors and hopefully friends- put a splash pad there, add bathrooms, put a new drinking fountain in there (I know it was known by the city that the drinking fountain didn't work all summer- it still never got fixed) There are almost no bike racks at any parks in Holland, I'd like to see that changed. Add benches at Moran Thank you	11/16/2023 4:30 AM
80	Thank you for everything you do for our community. I'm proud to raise my kids here	11/15/2023 11:34 PM
81	Stop controlling the pickleball courts.	11/15/2023 9:19 PM
82	Parks are extremely run down and poorly kept. We pay an extraordinary amount of money in taxes and all the city cares about is downtown and affordable housing. These initiatives are not needed and the city is being overrun with crime and homeless.	11/15/2023 9:15 PM
83	Adding more kids recreation programs.	11/15/2023 7:29 PM
84	I would love to see a playscape/playground/development on the city property on the corner of Lugers and 32nd street. Currently there are sports fields there but a playground would be great.	11/15/2023 6:59 PM
85	Please, PLEASE improve the state of the outdoor space at DeGraaf! My family lives nearby and we walk there several times a week to enjoy the trails, which are currently in an embarrassingly ramshackle state. The actual walking space is significantly limited by broken boards and mucky trails. Some new boardwalks and repairs would create a substantial upgrade for a relatively low investment, making the space more accessible and providing enough room for substantial waking, hiking, and strolling. Thanks for considering! PS We also LOVE Lakeview Park and are so thankful for a gorgeous new park on the west side!	11/15/2023 6:30 PM
86	I asked my 5 yr old who helped me fill out the survey what she wanted to say about Holland parks: "That they are fun and curious to play on."	11/15/2023 5:44 PM
87	I love living here!	11/15/2023 5:40 PM
88	Keep up the good and safe spirit, Holland, MI !!!!	11/15/2023 5:04 PM

89	I used to use Moran Park for Pickleball but due to medical issues, not in the last 12 months	11/15/2023 5:04 PM
90	Playground at Maple Wood has a lot of rust and can't go to Centennial due to homeless people.	11/15/2023 4:59 PM
91	I work downtown and live downtown. I love our city! However I am getting to the point that I do not care to tell people to visit centennial park because of the homeless. When I walk to work it smells like pot, when I walk home it smells like pot. Some days there is a huge party going on with loud music, more pot, and homeless laying all over the park. One night I was lucky enough to see a man relieving himself by a tree! I could write a book! Please have someone look into this so I can send tourists there again.	11/15/2023 4:53 PM
92	repairing and maintaining the landscaping at Washington School Green and replacing the dead tree that was removed. Cleaning up the landscaping beds from construction. More access to waterfront and waterfront views. More access to swimming in the lakes	11/15/2023 4:39 PM
93	With so many families in Holland, it would be great if Holland would offer more parks and fun spaces to make families of all backgrounds feel welcome	11/15/2023 3:41 PM
94	More information on scholarship programs for activities would be helpful! I can't seem to find anything anywhere and we can't afford to be a part of the activities that require a registration fee.	11/15/2023 3:37 PM
95	Wild Flowers meadows instead of well manicured lawns in public palces. More public access to the lakes.	11/15/2023 3:28 PM
96	Move the homeless out of centennial park.	11/15/2023 3:21 PM
97	With "club teams" growing, it would be nice to see scholarships for children in the City of Holland benefit from the same level of coaching and training as surrounding areas/schools, to regain competitive level. Parents coaching is all well and good (I've done this myself), but after 3rd grade, basic skills in various sports, need trained coaches to correct techniques, build skill. This is very obvious at the school level in several different sports by middle school, and then high school. The trickle down effect is watching potentially talented high schoolers dropping sports all together, because they can not compete with (and lose repeatedly to) other area teams. They are not prepared for the sports climate. The discouragement is disheartening to see...knowing how important an active lifestyle is- which can impact everything from physical health to mental health in this population. I don't have a perfect answer, but do know transportation and finances (along with proper shoes or equipment, mentoring and nutrition) are needs seen in the public school community...as a parent.	11/15/2023 3:08 PM
98	Please implement rules so adults can't play on multiple teams in the same sport. Even if they are different says. There's no reason someone should be playing at a Rec league level and a competitive league level. You're one or the other.	11/15/2023 2:59 PM
99	Rec soccer needs improved support, organization for coaches, more evenly divided teams and upkeep of fields for practice and games. We need indoor tennis that isn't monopolized by Hope's cost prohibitive programming.	11/15/2023 2:55 PM
100	Indoor space for long winters. Walking track and courts for a wide range of sports.	11/15/2023 2:30 PM
101	Thanks for offering this survey! :-)	11/15/2023 2:28 PM
102	I'd love to see youth volleyball go beyond 6th grade for charter students, homeschoolers and others who don't want to do a school team.	11/15/2023 2:26 PM
103	We would love to see baby swings and a slide at Rosa Parks Green.	11/15/2023 2:14 PM
104	Thanks!	11/15/2023 2:06 PM
105	Thanks for all you do!	11/15/2023 1:57 PM
106	I use Centennial Park extensively during the warmer months. Historically, I've even attended outdoor yoga classes in the park. However, the homeless population is increasingly using the park as a destination to hang out, making it a challenge for other residence to utilize the space.	11/15/2023 1:57 PM
107	Free indoor play spaces for large groups!!	11/15/2023 1:49 PM
108	A splash pad would be highly used by local families. But we are so grateful to live in a	11/15/2023 1:48 PM

	beautiful place that values parks	
109	We would just love to see some of the older parks play spaces renewed. We love having a neighborhood park :)	11/15/2023 1:41 PM
110	I am not sure if this really falls into the Parks and Rec Department, but would love to see some sort of minor league sports team here in Holland.	11/15/2023 1:34 PM
111	It would be nice if it wasn't extra cost to participate given we are in Holland Twp vs City of Holland. We don't have an alternative just have to pay more to do the same things.	11/15/2023 1:20 PM
112	I'm not sure who to talk to about this issue, but I stopped taking my kids to Centennial Park, Smalenburg and Window in the Waterfront because they have become areas for groups of young adults to congregate and smoke weed/listen to very inappropriate music (plus homeless individuals passed out with alcohol bottles and/or smelling of weed), and I don't want me kids around that behavior. I always loved bringing them to Centennial and Window on the Waterfront especially because they are beautiful, well-maintained areas. Is there something that can be done to help improve this situation?	11/15/2023 1:18 PM
113	Would love a fenced in splash pad similar to Zeeland's. Please add benches at Moran Park's playground. Some bike racks there would be useful, too!	11/15/2023 1:17 PM
114	Moran Park tennis resurfacing looks good. Let's keep it that way by keeping wheels off the courts. Night tennis would be possible on courts 1 and 5, if you put lights along the sides in addition to those behind the courts.	11/15/2023 1:13 PM
115	An indoor recreation center for youth wrestling and pick up basketball in the winter would be my top priority. A turf location for youth football and flag football would be another priority of mine. Some workout stations Kollen park would be really cool - like the space between the docks and the main park could have some really cool body weight workout stations.	11/15/2023 1:11 PM
116	You guys are doing a fantastic job! I'm excited to see how the 5 year plan is implemented and the city impacted!	11/15/2023 1:09 PM
117	.	11/15/2023 1:08 PM
118	I would LOVE more live music! Definitely my favorite thing Holland can offer. Also, I do a lot of rollerskating so smooth skatable surfaces are also a priority.	11/15/2023 1:07 PM
119	Re: upkeep of Washington School Green. A tree that was taken out by a garbage truck five years ago has not been replaced. Then, a tree in the center of the park died last year and has not been replaced. The landscaping around the dogwood trees is full of weeds and needs to be redone. Please take care of these areas! Neighbors who live there are happy to help with the city's permission and guidance. Thank you.	11/15/2023 1:02 PM
120	I marked fair for conditions for Moran park only because the bathroom is often locked or unpleasant to use (messy, creepy). It seems like the parks that are closest to downtown are maintained the best. Water bottle fill stations would be helpful at parks, too!	11/15/2023 12:58 PM
121	The Big Red Lighthouse is part of our Holland State Park, from what I understand. As a person living on the south side, I seriously miss the access to walk out to that pier and lighthouse. It was an easy way to go catch a quick sunset. It was nice to be able to take visitors to the lighthouse. It was a fun way to experience Lake Michigan, standing out in it at the end of the pier. I feel strongly that we should have access to get to Big Red and that south pier. It's extremely frustrating that one single family can make a decision that effects all of us in the City of Holland, all of us who pay taxes towards that piece of land! It's maddening that one family ruins a wonderful experience that our whole community would have and that tourists could have (therefore bringing money into our local economy). Is there any way we can make that pier and lighthouse accessible on the south side?!	11/15/2023 12:54 PM
122	Please take better care of Hallacy Park. It needs flowers, mulch etc. Especially as the skating rink and ODC playground evolve. It looks so neglected and makes me sad for Lou Hallacy's legacy.	11/15/2023 12:53 PM
123	Clean bathrooms/drinking fountains and shaded areas for sitting with benches and walkways in good repair will allow more people of varying physical abilities to access the park.	11/15/2023 12:46 PM
124	It would be nice to see the fountain in Centennial Park working again, or being repurposed for something different. It's sad to see it fenced in, without access to it.	11/15/2023 12:45 PM

125	Fix the bridges and trails at VanRalte Farm. Also you added concrete paths to the dog park what what is most needed is concrete at the gates/airlocks. Those gates never shut well as erosion occurs. Also a concrete paths inside the dog park would be ideal for the wet season.	11/15/2023 12:44 PM
126	Request sensitivity to number and location of pickle ball courts. Quite loud!	11/15/2023 12:43 PM
127	Regarding youth sports programs -- I would suggest charging more to register so you can pay for an actual coach instead of having to rely on parents volunteers	11/15/2023 12:37 PM
128	Skate parks for kids should be expanded. Kids need things to do. Also have AED at all areas where groups of people meet.	11/15/2023 12:36 PM
129	Truly appreciate what you do for our community! You help make Holland a great place to raise a family!	11/15/2023 12:33 PM
130	More ballroom dance activities where an individual can sign up without a partner would be great!	11/15/2023 12:25 PM
131	Please correct "were" to "where" in Q.1	11/15/2023 12:25 PM
132	The landscaping in the Washington School Green needs to be improved.	11/15/2023 12:16 PM
133	The fountain in the center of centennial park is generally full of moss or algae. It really should be replaced or cleaned at a minimum. Millions of people come to Holland every year and this fountain in the center of Holland probably does not leave a good impression.	11/15/2023 12:10 PM
134	Please redevelop Lakeview School Park and make it more appealing.	11/15/2023 12:05 PM
135	A water play/ splash pad is so needed in Holland!	11/15/2023 12:03 PM
136	The staff at the park department are the best!	11/15/2023 11:59 AM
137	Monitor/police homeless in Centennial Park	11/15/2023 11:19 AM
138	More public access to Lake Mac. No more hotels or private residences on Lake Mac.	11/15/2023 8:30 AM
139	I have concern for the city's ability to adequately sustain the current park inventory. I think sustainability should be a priority in sorting ideas for the next new shiny idea. I appreciate the efforts of the council, parks department and especially the boots on the ground that maintain our incredibly valuable green spaces. A priority should be placed on the recruitment and retention of park staff (\$).	11/15/2023 6:52 AM
140	Please take a look at kollen park! It has been one of our family's favorites and it is so popular with tourists because of the water and location. It's completely falling apart. Thank you!	11/15/2023 6:43 AM
141	More concerts and beer tents	11/15/2023 5:31 AM
142	Waterfront parks and swimmable access to the Macatawa watershed should be a priority for our city. Efforts to clean up Lake Mac for safe swimming should be a priority	11/15/2023 3:09 AM
143	Thanks for the opportunity to be involved in the process	11/14/2023 10:11 PM
144	Crosswalk with flashing lights like on 9th for Hope students for Kollen Park.	11/14/2023 9:08 PM
145	So happy to live in Holland! We have wonderful outdoor facilities, but there is always room for improvement.	11/14/2023 8:47 PM
146	All of the spaces need accessible bathrooms year round.	11/14/2023 8:15 PM
147	Washington School Green doesn't seem to get regular maintenance except by the neighbors. The fake rock there needs to be secured to the ground so kids stop hiding under it which could lead to serious injuries. My toddler found a used condom at Rosa Parks and there are always cigarette butts there. More signage about smoking would be welcome.	11/14/2023 7:45 PM
148	I recently viewed the exercise options through Zeeland Rec and was envious!	11/14/2023 7:43 PM
149	Please give some more attention to Washington School Green. It needs some cleaning up, replacing the tree lost on Maple Ave (it was central to the design), and adding flowers in the center area would be lovely.	11/14/2023 7:08 PM
150	Very concerned for increasing density in the center city and thereby losing green space, including green space that is not (yet) parks. Please think of infrastructure including water run	11/14/2023 6:32 PM

off. We do not have small children but we have heard that construction around Washington School has not been cleaned up in a year, and there is a tree that needs to be replaced. Please attend to this! :-)

151	The number of homeless is on the rise in centennial and kollen parks. We walk to and thru both parks and see guys urinating on trees, smell pot and have to listen to vulgar music and language. I know I'm tired of it and wonder what visitors have to be thinking. The HPD needs to be more vigilant and/or have walking patrols to keep these parks fun and enjoyable.	11/14/2023 6:19 PM
152	Adding a splash pad similar to Zeelands splash pad would be amazing!!!! I believe it's sooo needed.	11/14/2023 5:45 PM
153	I'm excited for the project at the end of eighth street but fear they will only have a few transient slips.	11/14/2023 5:20 PM
154	Better attention to maintenance of Washington School Green Park, replacement of dead tree removed but not replaced to date.	11/14/2023 5:11 PM
155	As a frequent user of Washington School Green, I have noticed that it is still in need of maintenance and repair after the road construction project was completed. It would be nice to have the park spruced up and refurbished in the Spring of '24. Thank you!	11/14/2023 4:51 PM
156	Washington School Green needs attention - there are issues that have been delayed for more than a year after the street improvement work. The neighbors have asked many times with no response. It's a very small park! Can the Parks Department take care of these issues? Thank you!	11/14/2023 4:50 PM
157	Respectfully request regarding Washington School Green: 1. Repair damage done when 11th repaved (east end) and donor sign installed (west end) 2. Replace dead tree in front of school (removed fall 2023)	11/14/2023 4:47 PM
158	Washington Green needs some attention and cleanup after the construction has finished. There is a dead tree needing replacement.	11/14/2023 4:46 PM
159	Please make sure the social district extends to the new ice rink/curling development	11/14/2023 4:43 PM
160	The city already offers a good baseline set of activities and outdoor facilities. Some of which are original (my kids play on the same playground equipment from 25 years ago) and are showing their age. But, there is a lot of potential to take the offerings in the city up a level. The Holland Heights neighborhood has a large percentage of total residents and could greatly benefit from improvements that are walkable and not on the opposite side of town. Thank you for the continuous interest in improving the parks and recreation!	11/14/2023 4:37 PM
161	Bathroom access is problematic out of peak summer season. Kollen Park, especially, is used all year and I see people young and old (and with kids) searching for a bathroom. Portajohns, if noticed, are often messy and missing hand sanitizer. Same goes for other well-used parks, including Maplewood during sports seasons. They usually get opened for Little League games, but are missing during practices or before games. In general, Parks and Parks staff are doing great work. Keep it up!	11/14/2023 4:30 PM
162	Thanks	11/14/2023 4:04 PM
163	The landscaping at Washington School Green looks terrible. It's been a year since the road construction finished and it hasn't been repaired. A dead tree was removed and not replaced. Please make this a priority. Or allow neighbors to plant perennials and maintain as requested.	11/14/2023 4:02 PM

GRANT HISTORY

Grantee

City of Holland - Ottawa County

Project No. 26-00192 **Project County:** Ottawa **Project Year:** 1970

Project title: Kollen Park Expansion

Project Status: Grant Closed

Grant Amount:
\$30,000.00

Scope Item

Project Description: Acquisition of 3.66 acres of land fronting on lake Macatawa in the city of Holland.

Project No. 26-00262 **Project County:** Ottawa **Project Year:** 1971

Project title: Holland City Pool

Project Status: Grant Closed

Grant Amount:
\$100,000.00

Scope Item

Project Description: Develop 1/4 acre of land to include a heated swimming and diving pool, fencing, and bathhouse.

Project No. 26-00840 **Project County:** Ottawa **Project Year:** 1976

Project title: DeGraaf Nature Center

Project Status: Grant Closed

Grant Amount:
\$30,371.13

Scope Item

Project Description: Develop a portion of the Nature Center for improvement, creek clean up, trail improvements, and markers, parking, and entrance road, nature center building, and LWCF sign

Project No. 26-01023 M1 **Project County:** Ottawa **Project Year:** 1977

Project title: Holland Softball Center

Project Status: Grant Closed

Grant Amount:
\$35,142.52

Scope Item

Project Description: Acquisition of approximately 20 acres of land in the city of Holland for public outdoor recreation

Project No. BF92-236 **Project County:** Ottawa **Project Year:** 1992

Project title: Maplewood Park

Project Status: Grant Closed

Grant Amount:
\$300,000.00

Scope Item

Project Description: Development to improve access to the DeGraaf Nature Center Park for school groups and the public. Improvements include a new entrance to the site, entrance sign, permeable paver parking spaces, a shade shelter with fireplace for year-round use and native plantings and Michigan stones to enhance and provide interpretive opportunities outside of the Center. In addition to the nature center, the site includes trails through mature forest, boardwalks through wetland areas, a stream, pond, meadow and observation areas.

Total number of projects: 13

Total Amount of Grant Given \$2,703,013.65

PARKS DEPARTMENT FIVE YEAR PLAN
PROPOSED PROJECTS

Wednesday, 6 December 2023

Van Raalte Farm Projects

1. Pave drive to house
2. Add sprinklers to living and dining rooms and bedrooms
3. Install air conditioning in original home.
4. Add security cameras around house and barns.
5. Add security lights around house and barns.
6. Build stairs on west side of house to path
7. Make a plan for use of the office and bedroom.

Construction projects

1. Build restrooms behind barns. OR
2. Build heated classrooms inside barn constructed on site of original south barn. Include restrooms.

Preservation project

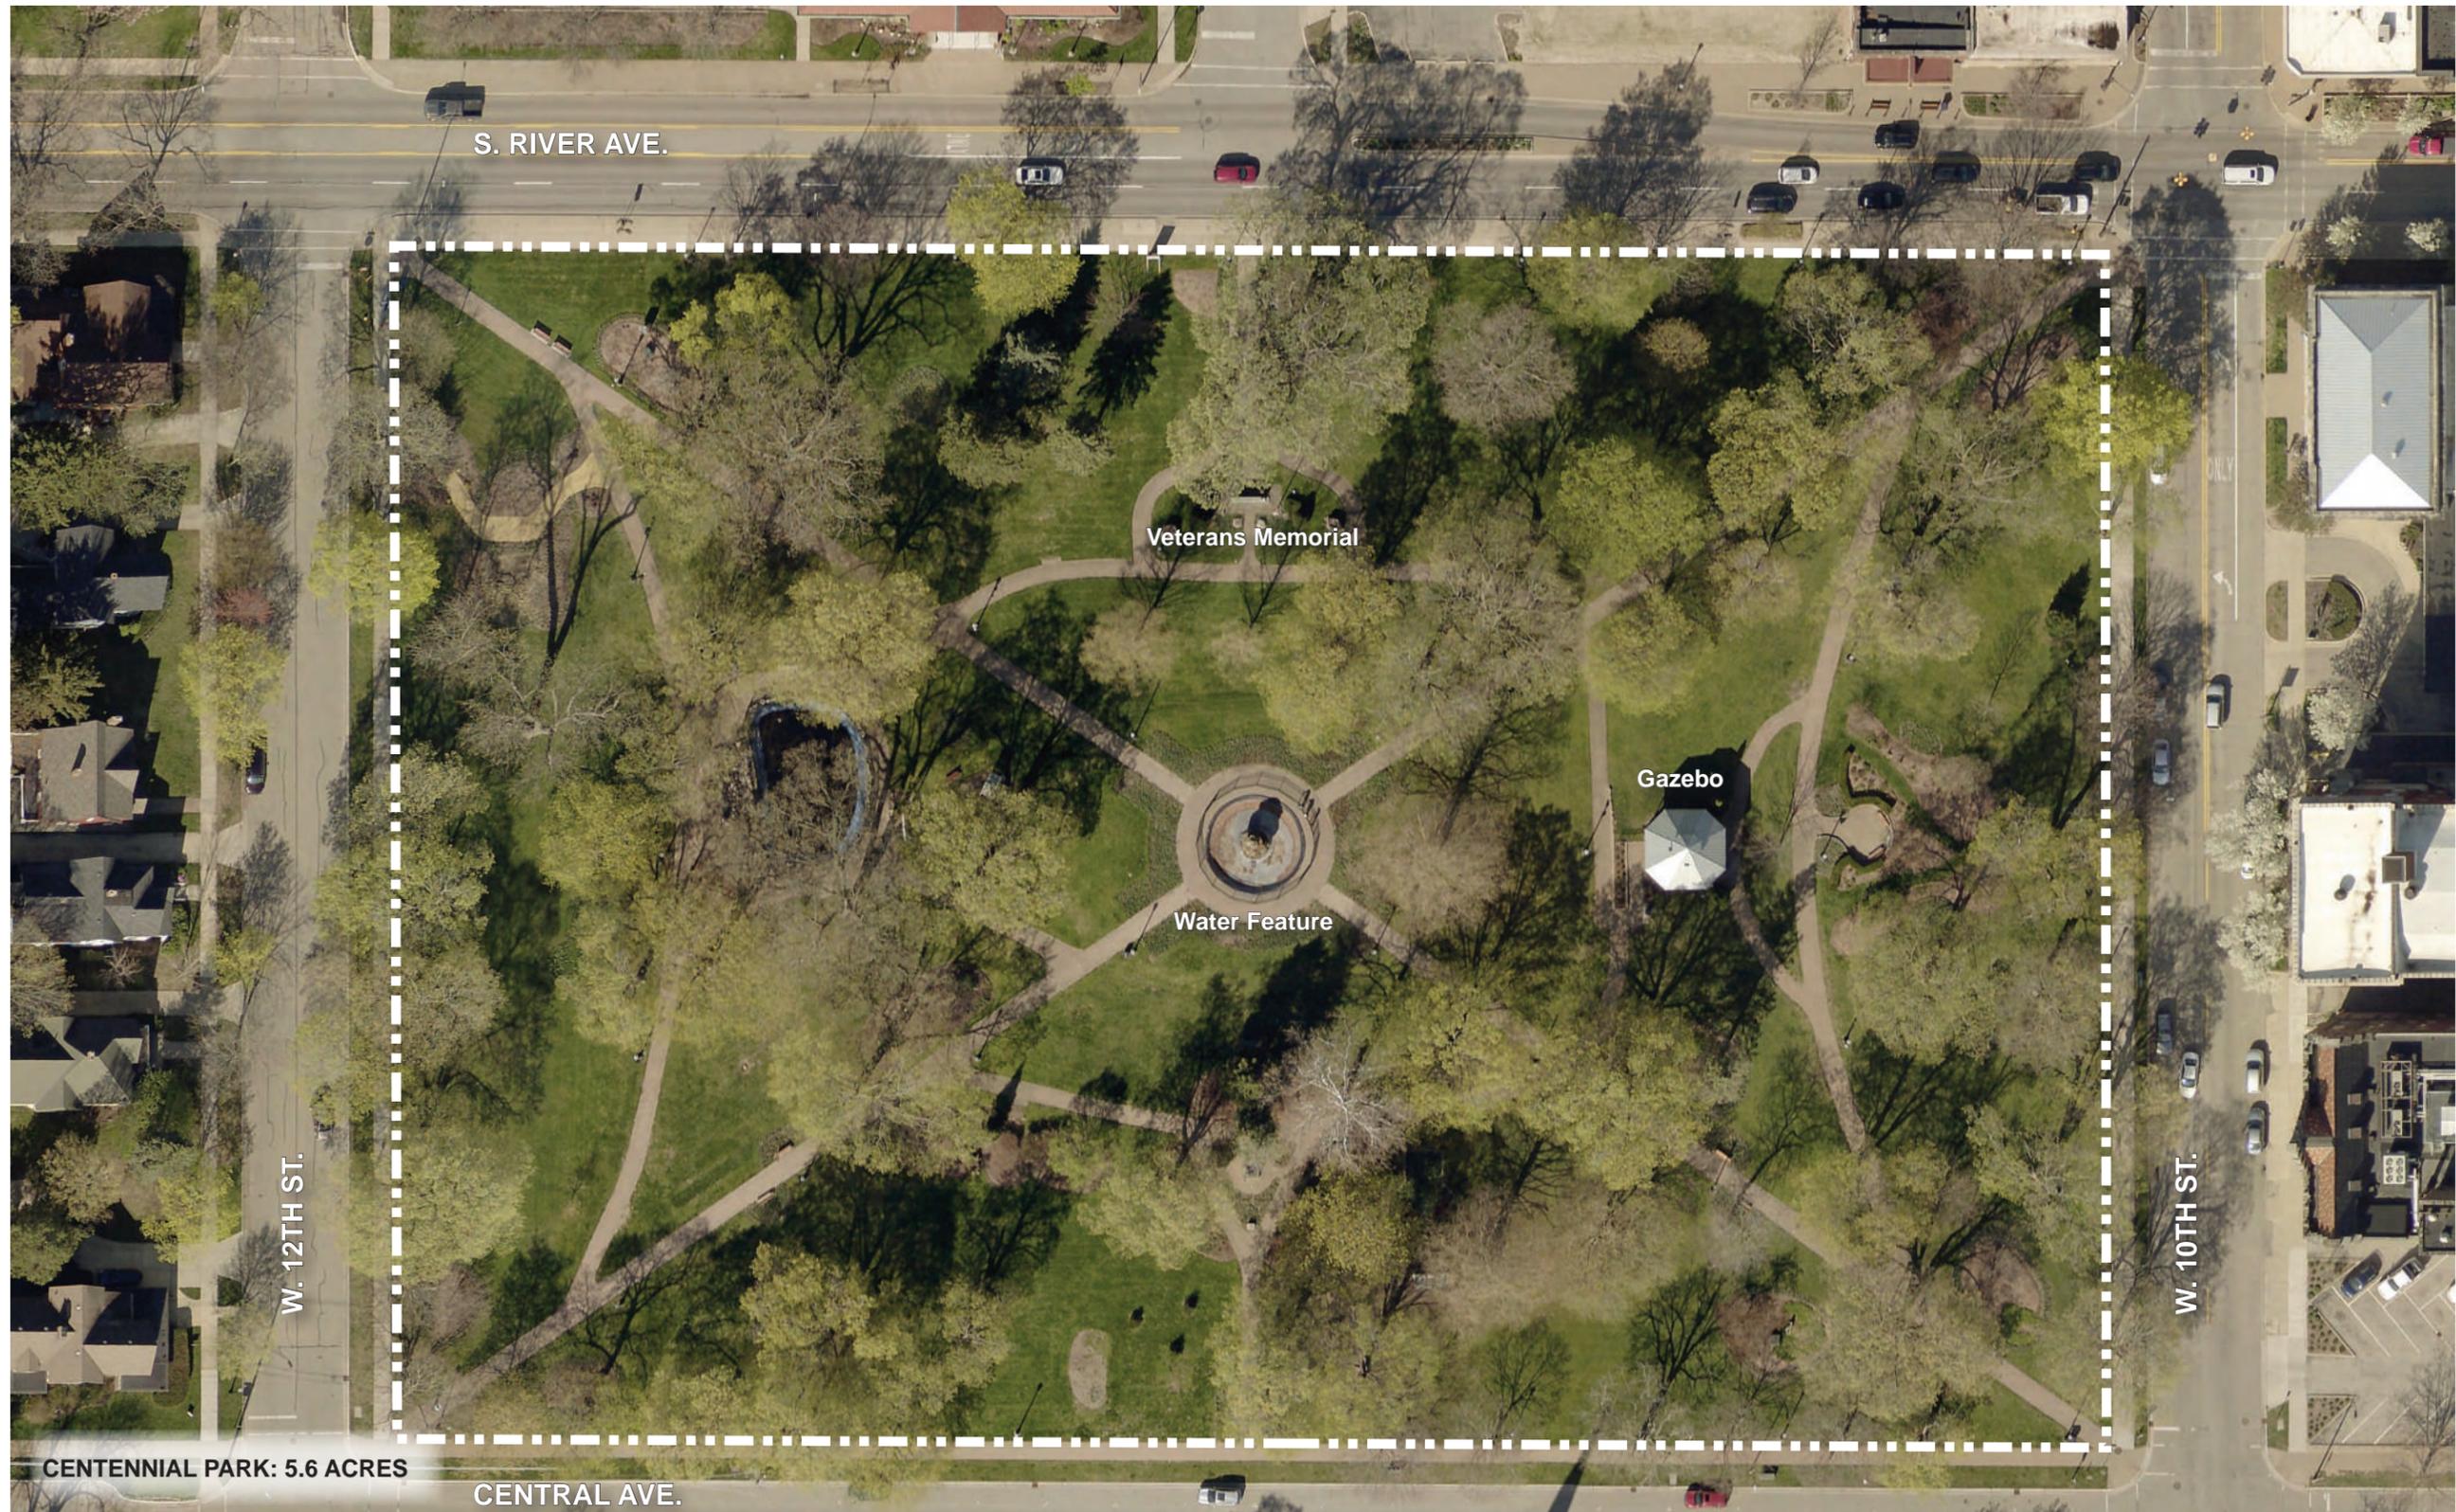

1. Move Old Wing Mission to Van Raalte Farm or to ODC.

Centennial Park Projects

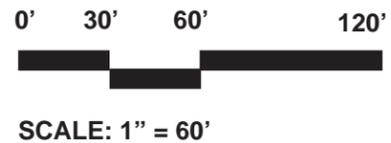

1. Move historic green house without glass panels to Centennial Park and dedicate it to Lida Rogers. Add a Victorian sign with Lida Rogers Garden above the front door.

- Add Victorian accessories: chandeliers, urns, benches. Grow vines around structure and add potted plants in the building. Add a terrace in front of the vine house with temporary café tables and chairs. Add snowmelt, electricity, and water in and around the vine house. Hold a dedication ceremony.
2. No Christmas lights wrapped around tree trunks. Instead, follow a Victorian design.
 3. Add Victorian Christmas decorations to the lamp posts: green garlands, wreath with candles and red bow.
 4. Add a large Christmas tree with lights in the middle of the park.
 5. Add lighted balls hanging from interior trees over some of the paths.
 6. Add black trash containers in the park. Remove the tacky blue containers around the park.
 7. Add seasonal café tables and chairs in the gazebo for lunches and snacks.
 8. Restore the lily pond and add a fountain in the middle: Umbrella girl.
